

Viet Nam to Get US Planes

PEARL HARBOR (AP)—Defense Secretary Robert S. McNamara said Wednesday the strength and firepower of the Vietnamese air force were being increased for the war against Communist guerrillas.

Winding up his fifth visit to South Viet Nam, he told newsmen in Saigon that preparations were being made to receive 75 new AD6 fighter-bombers, propeller-driven craft built by Douglas.

Blatt's Lead Dips to 1,613

PHILADELPHIA (AP)—Genevieve Blatt's lead over Justice Michael Munnarno for the Democratic senatorial nomination shrank to 1,613 votes Wednesday.

Nikita At Aswan Dam

ASWAN, Egypt (AP)—Smiling in the heat, Soviet Premier Khrushchev heaved a rock into the Nile "in the name of Allah" at a symbolic ceremony on Wednesday within the shadow of the huge, Soviet-financed Aswan Dam.

With President Gamal Abdel Nasser of the United Arab Republic, Khrushchev will put on a more dramatic show Thursday.

Rights Pack Aims at Support

WASHINGTON (AP)—A package of compromise amendments aimed at drawing enough support to choke off the flood of oratory over the civil rights bill won complete agreement of Senate leaders Wednesday.

And Atty. Gen. Robert F. Kennedy, speaking for the administration, told newsmen "this bill is perfectly satisfactory to me" with the changes proposed.

"We have done nothing to hurt the major objectives of the bill," declared Sen. Hubert H. Humphrey of Minnesota, Democratic whip and floor manager for the measure.

Senate Republican Leader Everett M. Dirksen of Illinois, who drew up the original package of 70 amendments, said "a good agreement" was achieved. He said the job now is for the leaders to sell the package to senators of both parties.

Backs Prayer Amendment

WASHINGTON (AP)—The issue at stake in the controversy over a constitutional amendment to permit public school prayers is "simply God, Almighty God," Congress was told Wednesday.

Dr. Carl McIntire of Collingswood, N. J., minister of the Bible Presbyterian Church, so testified. He said the Supreme Court pointed the way to "a materialistic and godless America" by banning compulsory religious exercises in the schools.

He testified before the House Judiciary Committee in support of a constitutional amendment.

Stock Market Takes Dip

NEW YORK (AP)—Profit taking in some recent speculative favorites and weakness in cigarette issues featured a declining stock market Wednesday. Trading was active.

The Dow Jones industrial average fell 1.60 to 825.78.

Of 1,345 issues traded, 620 declined and 457 advanced. New highs for the year totaled 63 and new lows 47.

Drivers Unhurt In S-burg Crash

STROUDSBURG — Stroudsburg Police investigated a two-car accident yesterday at 10:05 p.m. in front of 338 Main Street. They reported no injuries.

Drivers were identified as Donald Thomas Metzgar, 17, of 71 N. Second St., Stroudsburg, and George P. Lee, 39, of 62 A--omink St., East Stroudsburg.

Police said Metzgar was traveling east on Main Street and struck the parked car owned by Lee. The force of the collision turned both vehicles around facing west.

Anti-Castro Raiders Attack Cuba

Barry Goldwater

Pocono Delays Stadium

SWITZWATER —The Pocono Mountain Joint School Committee last night tabled plans to build a \$117,000 athletic stadium — and in effect delayed the project for at least a year.

The joint committee, while recognizing the need for the facility, ran into a snag when informed a decision to build, was necessary last night.

The project had been bid in February and all extension time to award contracts had run out.

Kookon Stabler Associates, who prepared preliminary plans, told the committee, authority to award contracts would have to be in their hands this morning.

The problems of financing led to the committee's decision to return the project to the building and grounds committee.

This year's budget has \$20,000 earmarked for a stadium and coupled with \$18,000 in last year's budget. This gives the committee a total of \$38,000 it can spend on a stadium without resorting to borrowing.

Alex Bensinger, solicitor, explained two possible ways to finance the remaining \$79,000. He explained:

1. The school building authority could issue a supplemental bond issue to cover the remaining costs.

2. Each of the eight-member districts could borrow its proportionate share and spread the debt over a number of years.

Howard Harshorn, Jackson Township member, said, "I can't speak for my board but I am against spending this additional money. However, I wouldn't like to see the project scrapped for a whole year. Why can't we build something with the \$38,000?"

It was explained if the project is broken up into phases present plans would require a minimum of \$58,000. This would provide a facility with no seating.

Good Morning!

Somebody's invented a new kind of pen. You fill it with water and it writes under ink.

Only Goldwater On Ballot But Nixon Runs Strong 2nd

WASHINGTON (AP)—Sen. Barry Goldwater led the way but former Vice President Richard M. Nixon finished a surprisingly strong second on the basis of write-in votes in Tuesday's Republican presidential preference primary in Nebraska.

Goldwater, the only man with his name on the ballot, drew slightly less than half the votes cast in the Republican race, falling by a hair to make good his supporters' prediction that he would poll a majority.

Meanwhile, Gov. Nelson A. Rockefeller of New York, the Arizona senator's chief announced rival for the GOP presidential nomination, garnered a good vote in an uncontested primary in West Virginia. But write-in votes are not counted

in that state as they are in Nebraska.

The major development in Tuesday's voting was Nixon's showing in Nebraska. Despite a late start, a campaign for write-in votes for the man who carried the party's standard in 1960 paid off with about 31 per cent of the votes cast.

Ambassador Henry Cabot Lodge, Nixon's vice presidential running mate four years ago, placed third with about 16 per cent of the vote.

Returns from 2,088 of Nebraska's 2,148 precincts showed Goldwater with 66,589 votes. Nixon led in write-ins with 42,282 followed by Lodge with 22,033. Rockefeller with 2,283 and a handful of others dividing 1,168 votes.

Rockefeller polled 94,085 votes in 2,185 of West Virginia's 2,664 precincts. This was about 64 per cent of the total cast in the gubernatorial primary which had sparked little interest.

No Democratic presidential primary contests were held, but President Johnson drew 53,233 write-in votes in 2,086 Nebraska precincts. He was far ahead of Atty. Gen. Robert F. Kennedy with 1,834. Gov. George C. Wallace of Alabama with 1,363 and Gov. Frank Morrison of Nebraska with 1,753.

The two elections were a warmup for Friday's test in Oregon matching Goldwater, Rockefeller, Nixon, Lodge, Gov. William W. Scranton of Pennsylvania and Sen. Margaret Chase Smith of Maine.

Goldwater, Rockefeller and Mrs. Smith are announced candidates. Lodge, Nixon and Scranton have said they are not candidates but would accept the nomination. All six are on the ballot in Oregon.

THE HAGUE, Netherlands (AP)—Secretary of State Dean Rusk asked France on Wednesday to come forward with any changes President Charles de Gaulle wants in the structure of the Atlantic Alliance.

In a secret meeting of alliance foreign ministers, Rusk appealed for unity at a moment when the alliance is strained by the mounting Greek-Turkish dispute over Cyprus and De Gaulle's lone wolf policies.

Conference sources said Rusk insisted that the 15-year-old North Atlantic Treaty Organization must not be allowed to come unraveled.

Rusk declared the U.S. government is determined to maintain its commitments to defend Western Europe from possible Communist aggression. De Gaulle has said the United States would not risk nuclear destruction to defend Western Europe.

Brazil Severs Cuba Ties

RIO DE JANEIRO, Brazil (AP)—Brazil broke off diplomatic relations with Cuba Wednesday further isolating Castro's regime.

The action by Latin America's largest nation left only four countries—Bolivia, Chile, Mexico and Uruguay in the Organization of American States that recognize Cuba.

Widespread pressure for the break with Cuba had been mounting across Brazil since military and political leaders threw out left-leaning President Joao Goulart April 1. His government had been friendly with Cuba.

The Foreign Minister said Brazilian diplomatic personnel in Havana, under a charge d'affaires, would leave Cuba within two days.

Pressure for the diplomatic rupture had been building since April 9 when representatives of all Brazil state legislatures, meeting in Sao Paulo, called on the government to make an immediate break with Cuba.

Police have reported evidence piling up that Cuban agents were actively involved in attempts to implant a Communist regime in Brazil before Goulart's overthrow.

Fidel Blames U.S. For Raid

MIAMI, Fla. (AP)—A Cuban exile organization said Wednesday night it began a war on Fidel Castro's regime earlier in the day with a commando and guerrilla attack on a sugar mill and a port in eastern Cuba.

In Havana on Wednesday night, Prime Minister Castro confirmed the attack on the port of Pilon in an angry statement, saying it was not a ground attack but a shelling from a ship standing off shore. He blamed the attack on the U.S. Central Intelligence Agency, and said it was a new act of vandalism of the Washington government.

U.S. Denies Knowledge

In Washington, a State Department spokesman said the U.S. government had no connection with the raid and has no information about it.

Previously, the State Department had reaffirmed that U.S. government policy is against hit-and-run attacks on Cuba mounted from U.S. territory.

The Revolutionary Recovery Movement—MRR—issued its "first war communiqué" in Miami, saying its forces held the port of Pilon for three hours against "frenzied fighting" by Castro's armed forces while engineers blew up a sugar mill.

Guerrillas in Hills

Afterward, the communique said, the commando raiders left Cuban soil while guerrilla units, previously stationed in the nearby Sierra Maestra, returned to the hills.

The exiles said they suffered no losses, and left many Castro militia wounded.

Havana radio said that "As a result of the firing, the sugar warehouses were set on fire and 70,000 sacks of sugar which had been produced by that mill in the present harvest were lost."

Castro said the raid was "just another criminal act sponsored by the government of the United States" and that a ship of the type of the "Rex" stood off shore and shelled the sugar mill.

The Rex, a 174-foot craft, sailed out of Fort Lauderdale, Fla., last fall and came back Oct. 27 minus her two speedy, inboard-outboard launches. It was blamed by Castro at the time for an attempt to land commando forces in Cuba.

Castro said his government took over the launches.

The MRR communique, issued in Miami, said guerrilla forces already in Cuba joined "commandos, frogmen, combat engineers, signal corps units and torpedo units" and took the port on the southern coast of Oriente Province.

The attacking forces, the communique said, held the port of Pilon and declared it "free territory of Cuba" while the raiding engineers "completed its task of sabotage and demolition at the Cabo Cruz sugar mill."

Guerrillas Arm

Guerrillas, meanwhile, "replenished their ammunition and food supplies," the communique added.

The attack came at 3:50 a.m. Wednesday, the communique added. It said the raiders engaged in "frenzied fighting" against a numerically superior Communist army.

The communique was signed "Manuel Artime Buesca, secretary general and Rafael Quintero, military coordinator" of MRR. The MRR had said previously that Artime, civilian chief of the forces in the 1961 Bay of Pigs invasion, participated in the attack.

"Three very rapid launches, perfectly equipped, approached the coast for the operation," the MRR spokesman said. "Dr. Artime was aboard one of them."

MRR said there would be other similar raids "immediately" and two other action groups have been saying for weeks that they too would be fighting soon on Cuban soil. May 20 is the anniversary of Cuban independence.

At MRR headquarters here, it was explained that Pilon, a minor sugar port, was declared free territory only during the three hours the MRR said it held it. It was indicated the raiders are not holding the port now.

Richard Nixon

NATO Unity Urged

THE HAGUE, Netherlands (AP)—Secretary of State Dean Rusk asked France on Wednesday to come forward with any changes President Charles de Gaulle wants in the structure of the Atlantic Alliance.

In a secret meeting of alliance foreign ministers, Rusk appealed for unity at a moment when the alliance is strained by the mounting Greek-Turkish dispute over Cyprus and De Gaulle's lone wolf policies.

Conference sources said Rusk insisted that the 15-year-old North Atlantic Treaty Organization must not be allowed to come unraveled.

Rusk declared the U.S. government is determined to maintain its commitments to defend Western Europe from possible Communist aggression. De Gaulle has said the United States would not risk nuclear destruction to defend Western Europe.

Turning to the troubled eastern Mediterranean, Rusk said that a war between NATO members Greece and Turkey over Cyprus is unthinkable and must not be allowed to happen.

He urged the Greek and Turkish peoples to accept this and said Athens and Ankara must exert all the influence they possess to stop the fighting between the Greek and Turkish-speaking communities on Cyprus.

Rusk voiced support for a warning given earlier in the day by Foreign Minister Paul-Henri Spaak of Belgium who said the 15 members of the alliance must overcome their differences now.

Spaak called on De Gaulle to speak up about changes France wants in NATO—an invitation which Rusk underwrote with American prestige.

House Okays Bill Aiding Monroe

HARRISBURG (AP)—The House Wednesday approved a measure to appropriate \$1.5 million for payments to municipalities which lose tax revenues because of state buildings located within their boundaries.

The proposal was sent to the Senate on a vote of 116-61, but Gov. Scranton has indicated he might veto it.

Rep. Van D. Yetter, Monroe County Democratic assemblyman, has been a strong supporter of the measure and yesterday helped to herd together some of the 116 votes.

The administration claims the bill is not in order in the present session because it makes a change in the law as well as provides an appropriation. Changes in laws are prohibited by the Constitution in even-numbered years, when only budget matters may be considered.

Rep. Blaine C. Hockett, Republican, prime sponsor of the measure, estimated that the following counties would receive these amounts (with a fourth going to the county, a fourth to involved school districts): Blair, \$26,000; Bradford, \$800; Cambria, \$2,400; Cameron, \$1,000; Centre, \$6,400; Clarion, \$1,100; Columbia, \$5,000; Crawford, \$2,120; Elk, \$1,200; Erie, \$7,200; Fayette, \$280; Greene, \$200; Lackawanna, \$6,000; Luzerne, \$22,100; McKean, \$425; Monroe, \$10,000; Montour, \$34,000; Pike, \$1,300; Somerset, \$6,000; Susquehanna, \$600; Tioga, \$10,800; Venango, \$30,000; Warren, \$40,000; Washington, \$30,000; Wayne, \$12,000.

Other highlights: Appropriations—Rep. Edward W. McNally, D-Cambria, introduced a series of amendments that would have halved the state grants to private colleges and universities and utilized the money to establish state universities at Philadelphia and Pittsburgh with tuition fixed at no more than \$300 a semester. All of the amendments were defeated.

Blind Veterans — The House blind veterans pension bill to make its provisions retroactive to last July 1. The measure is designed to make all veterans blinded while in service — regardless of wound or injury, war or peacetime—eligible for the state pensions.

Eminent Domain — The House voted 89-83 to include public utilities as well as other land condemning agencies under procedural and damage sections of the bill revising eminent domain laws. The measure was held over for a vote Thursday.

Brazil Severs Cuba Ties

RIO DE JANEIRO, Brazil (AP)—Brazil broke off diplomatic relations with Cuba Wednesday further isolating Castro's regime.

The action by Latin America's largest nation left only four countries—Bolivia, Chile, Mexico and Uruguay in the Organization of American States that recognize Cuba.

Widespread pressure for the break with Cuba had been mounting across Brazil since military and political leaders threw out left-leaning President Joao Goulart April 1. His government had been friendly with Cuba.

The Foreign Minister said Brazilian diplomatic personnel in Havana, under a charge d'affaires, would leave Cuba within two days.

Pressure for the diplomatic rupture had been building since April 9 when representatives of all Brazil state legislatures, meeting in Sao Paulo, called on the government to make an immediate break with Cuba.

Police have reported evidence piling up that Cuban agents were actively involved in attempts to implant a Communist regime in Brazil before Goulart's overthrow.

Medicare Plan Being Drawn Up

WASHINGTON (AP)—The outlines of a possible new health program for the aged that conceivably could break the deadlock over President Johnson's proposal are now being sketched in the House Ways and Means Committee, it was learned Wednesday.

The core of the idea would be to transform the existing Kerr-Mills program of state-federal help to the near-indigent into one that would, in effect, guarantee all those over 65 against having their income wholly wiped out by catastrophic medical bills.

The administration proposal, for hospital-nursing home benefits to be paid by an increase in the Social Security tax, apparently is hopelessly locked up in the committee.

The new possibility, so far not even sponsored by any member, may not be voted on for several weeks, if ever. Its importance, however, comes from the fact that it results from efforts by the Welfare Department and by Ways and Means Chairman Wilbur D. Mills, D-Ark., to work out something Congress might pass this year.

The basic plan would follow the Kerr-Mills pattern of state-federal health programs, aided by federal contributions, and take into account the financial status of the recipients. The changes would consist of an offer by the federal government to pay a bigger and bigger share for states that liberalize their benefits and eligibility.

The plan would be designed to bring out, in every state, one federal-contributory health plan that would embrace the aged and others now receiving medical benefits, such as the blind and dependent children.

Jet Slams Into 7 Homes; Six Women, Children Killed

LAS VEGAS, Nev. (AP)—A jet fighter plane faltered after taking off from Nellis Air Force Base Wednesday and crashed into a North Las Vegas housing project. Explosion and fire wrecked seven homes.

Police said six persons were killed, including the pilot. The civilian dead reportedly included three adults and two children.

Authorities, informed that the aircraft was fully armed and loaded with ammunition, evacuated a 20-square-block area.

An eyewitness, Vincent Redde, said he saw the 1,400-mile-an-hour F105 come down. "When it hit it was like a bubble filled with water. It was just a big splash."

"I saw two women hanging out clothes where it hit. They disappeared. I heard a woman scream. There was a tremendous heat wave."

Nellis AFB said the jet had taken off on a mission to practice air-to-air hit.

"The area where it hit is about five miles northwest of downtown Las Vegas and about seven miles west of the air base. The housing project has two and three-bedroom homes in the \$15,000 price range."

The plane missed an elementary school by a few blocks.

After the crash the usually peaceful neighborhood was bedlam. Children screamed. Fifty-caliber ammunition exploded amid the crackling flames.

Mrs. Pauline Frazer, a resident of the area, said she was out hanging clothes when she saw the plane coming in, whirling, its nose high in the air, in about a 15-degree descent.

"It didn't sound like it had much power," she said. "And when I saw it go through the telephone lines, I ran in the house and screamed for my husband."

The plane severed power lines at the end of Lenwood Avenue, sliced the roof of a home and set it afire. Then it pancaked into two other homes. They, too, burned to the ground.

Fidel Blames U.S. For Raid

MIAMI, Fla. (AP)—A Cuban exile organization said Wednesday night it began a war on Fidel Castro's regime earlier in the day with a commando and guerrilla attack on a sugar mill and a port in eastern Cuba.

In Havana on Wednesday night, Prime Minister Castro confirmed the attack on the port of Pilon in an angry statement, saying it was not a ground attack but a shelling from a ship standing off shore. He blamed the attack on the U.S. Central Intelligence Agency, and said it was a new act of vandalism of the Washington government.

State News Roundup

Challenges Vote Count In Bucks

DOYLESTOWN, Pa. (AP) — Norvin Nathan, a Levittown lawyer, asked the Bucks County board of elections Wednesday to invalidate a total of 423 absentee ballots cast in the April 28 primary. He alleged that some election watchers were allowed to look at the absentee ballots contrary to the law, which provides they be sealed until the prescribed time for opening.

Nathan, himself a watcher, asked the board to look into his charges that he was barred from inspecting certain affidavits concerning absentee ballots before the counting began.

Of the 424 absentee, 155 were cast for Democratic senatorial candidates, 92 of them for Gen. E. J. Blunt and 63 for Justice Michael A. Musmanno of the State Supreme Court.

Nathan said the irregularities he alleges were prejudicial to Musmanno.

Chester Resents State Treatment

CHESTER, Pa. (AP) — A representative of Chester Mayor James H. Gouhey charged Wednesday that the state Human Relations Commission was antagonistic and hostile towards members of the Chester School Board during recent hearings on alleged school segregation.

Lawrence H. Jacobson, assistant city solicitor, made this and other charges in a two-page report to the mayor.

The mayor said he is forwarding a copy of the report to Gov. Scranton.

"The commission should be more objective in the finding of facts dealing with the subject of segregation rather than serving as prosecuting attorney, judge and jury," the mayor said.

Jacobson contended in the report that "many of the commission members, due to their affiliations with interested civil rights groups, would have a difficult time remaining impartial."

"The hearings were ordered by Gov. Scranton into charges of civil rights groups that defacto segregation exists in Chester schools."

"It would not be unfair," said Jacobson, "to say that the commission was somewhat antagonistic and hostile to the school board from the beginning of the hearings."

The hearings are to resume Thursday in the auditorium of the Pennsylvania Military College in Chester.

Buffalino Invited

PHILADELPHIA (AP) — A defense witness testified today that Russell Bufalino, 62, Kingston, Pa., dress expeditor who is fighting a deportation order, did not go as an uninvited passenger on a businessman's airplane trip to the Bahamas in April, 1956.

"G. H. (Dick) Pool, of Pittston, R.D. 1, a former sales manager of the Atlas Chain Manufacturing Co. of West Pittston, was called to contradict testimony at an earlier phase of the hearing by a government witness, Oliver Troup, president of Atlas."

Troup said Bufalino was on the plane but not at his invitation.

Pool said he arranged the trip, and that it had been discussed at a meeting attended by Bufalino, and that it seemed understood Bufalino was going along.

Trio Holds Up Cheltenham Bank

PHILADELPHIA (AP) — Three masked robbers, all armed with guns, held up a suburban Cheltenham Town ship bank shortly before noon today and escaped with an undetermined amount of cash.

Officials of the Bank of Old York Road branch in the busy Cheltenham shopping center said the robbers slipped the manager when he attempted to give the alarm.

Officials said they were instructed not to check the cash until FBI agents arrived.

Lippi Denied New Trial

SCRANTON, Pa. (AP) — August J. Lippi was denied this week a new trial on his conviction on a charge of conspiracy to defraud the former First National Bank of Exeter.

U.S. District Judge William J. Nealon said in turning down Lippi's appeal, "the defendant has no just cause for complaint."

Lippi, 63, president of District One, United Mine Workers of America, was president of the Exeter bank when the embezzlement was reported.

He was convicted by a federal court judge at Lewistown last November. Nealon presided at the trial.

SOUP'S ON — Campbell soup company donated 5,000 cases of Soup, 120,000 cans of cream of asparagus and cream of mushroom to Salvation Army headquarters in Philadelphia. The local Corps was allotted forty cases for distribution to low income and public assistance families in Monroe County. Captain Jean Duncan, assistant officer is shown preparing for the distribution which will take place on Thursday morning at the Citadel. Families can have one can per person at least and will be given out first come first served until the supply is exhausted. (Photo by MacLeod)

Governor Against Fees For Parks

HARRISBURG (AP) — Gov. Scranton said he was opposed "at this time" to charging admission fees to state parks, although he conceded he saw some merit to the proposal.

He told his weekly news conference:

"I would think it might be helpful if the legislature empowered the secretary of forests and waters to charge fees."

"That doesn't mean I think he ought to. I think it ought to be within his discretion."

Half an hour later, his office released a clarifying statement which said Scranton "is opposed to imposition of entrance fees at state parks."

The statement said that Scranton could see where situations might arise in the future which might warrant the charging of an entrance fee at the state parks.

For this reason, the statement continued, Scranton thought "there might be merit" to give the secretary the power to exact the charges if he so desired.

The question of charging admittance fees to the 14 state parks is one that keeps recurring.

Maurice K. Goddard, secretary of forests and waters, has opposed the proposal each time it has been advanced.

The latest organization to make the suggestion was the state Chamber of Commerce, which claimed that almost 2 million could be raised in this manner each year.

Hewitt Lost 30 Pounds In Rights Fast

PHILADELPHIA (AP) — The Rev. Clayton K. Hewitt, his arm in a sling and 30 pounds thinner as a result of an 18-day fast in support of civil rights, left for suburban Detroit Wednesday for special civil rights training.

The Rev. Mr. Hewitt said he would go to Parishfield outside Detroit for "an indefinite training period" — maybe three months.

The end of the Rev. Hewitt's fast was announced Tuesday by the Right Rev. Robert L. DuWitt, bishop of the Pennsylvania Episcopal Diocese.

The Rev. Hewitt had been taking only water, juices and vitamin capsules since his arrest in a violent April 24 racial demonstration in Chester over school integration. He said at a news conference Tuesday that he had dropped to 151 pounds from 181, and was quite weak.

Before leaving for Detroit, he said that Bishop DuWitt arranged for his training program.

"He did it because he knows my heart is in it. It is not a punishment."

At the same time he said, "It's not exactly a reward. It is possibly an offering of thanks by the entire Episcopal Diocese for the work we did in Chester. It will enable me to train other men. It will give me a better perspective."

He said his arm was in a sling because of a thrombosis of the upper arm caused by prolonged intravenous feedings at the hospital where he was taken from a Chester jail after he began his fast.

Hectic World In Short

By Frank Perrella

Record News Editor

Mrs. Cissy Gould proved that she loved her pet.

This week, the South African saved one of nine lives of a seventh-month cat by using mouth-to-mouth resuscitation.

The pet had stopped breathing after a minor operation. Mrs. Gould breathed into its mouth and after 2½ hours it revived.

The cat is now reported fully recovered.

Schoolboy Alan Keenen dated a number in a pay booth. Just then his pet hamster, Sammy, crawled out of his pocket and into the coin return slot.

Alan pressed the coin return button but no Sammy appeared.

He screamed for help. After workmen began dismantling the phone out popped Sammy and the Scottish lad was once again happy.

The Tanganyika soldiers thought their pay was too low and promotions too slow.

So they mutinied. Were put down. And now received 5 to 15 years in prison... where there will be no pay and no promotions.

The Polish kids were happy. It was a holiday. And there was loads of ice cream on hand.

At the end of the afternoon, 500 people in Warsaw were poisoned by the ice cream. Three hundred had to be taken to hospitals but are reported okay now. The other 200 were just ill and needed no hospitalization.

WINNER BIG STAR DRIVE-IN \$100 GIFT CERTIFICATE

Joseph A. Lisicky, of Edgemont Road, Stroudsburg, Pa., accepts the \$100.00 Gift certificate from Evan C. Scouris, owner of the Big Star Drive-In ice cream stand at 1833 West Main Street, Stroudsburg, Pa. The winning ticket was drawn by Darrel Gehris, president of the Stroud Union P. T. A. Over 2200 persons registered for the drawing.

Gov. Scranton Calls For State Milk Control Study

HARRISBURG (AP) — Gov. Scranton plans to appoint a non-partisan committee to "come up with specific recommendations" in 1965 for legislation to rewrite the state's 30-year-old milk control law.

The committee would be composed of representatives of consumers, dealers and producers. Scranton told his weekly news conference Wednesday.

Milk control always has been a controversial question in Pennsylvania.

Scranton said he had doubts about how well the law was working in the state.

"There has always been a question in my mind as to whether the operation of milk—the total business of milk—is being operated in Pennsylvania to the best advantage of everyone," he commented.

Under present law, the Milk Control Commission regulates both producer and dealer prices. It has the authority to set both maximum and minimum prices, but presently sets only minimum prices.

The problem of price regulation in the vast Pittsburgh marketing area is a particularly touchy one since prices in neighboring Ohio usually are lower. The commission is about to set a new price schedule for the area, which covers most of western Pennsylvania, and Scranton said his proposed committee also would study that order.

Reports are circulating around Capitol Hill that minimum prices in the area would be raised, but Scranton had no comment. "Nobody yet knows what the new commission order will be," he said.

The governor noted that new milk control legislation could not be considered in the General Assembly before 1965 because sessions in even-numbered years are limited to fiscal matters.

The 1965 session, he said, would give the administration the first opportunity to rewrite the milk control law.

"I hope we could create legislation which would be more workable and more modern," Scranton remarked.

On a related matter, the chief executive opposed a proposal before the House to delete a \$200,000 operating appropriation for the commission.

"It doesn't make any sense," he replied in answer to a question. "It simply would cut down the money they (the commis-

sion) have to work with. It seems like a silly gesture to me without really having a significant result."

There was little political discussion at the news conference. Scranton said he had not talked with any of the leading Republican presidential contenders and added that he did not plan to meet with former President Dwight D. Eisenhower following the general's return to Gettysburg Thursday.

"I think he (Eisenhower) would prefer to go home peacefully without interference from politicians," Scranton said.

Looking to the June 2 California primary election, Scranton felt that an impressive victory for Sen. Barry Goldwater could provide the impetus to carry the Arizona solon to a first ballot nomination at the GOP national convention.

"A strong win in California for somebody would be very effective," he said.

The governor also denied a published report attributed to White House sources this week that he told President Johnson he expected the President to win the November election by 10 million votes.

The remark reportedly was made at a meeting Scranton and Johnson had in Washington several weeks ago to discuss the proposed Appalachia program.

Senior-Junior Honor Rolls At Bangor High Listed

BANGOR — Dr. Trevor Williams, principal of Bangor Area High School yesterday announced the honor rolls in the high school for the fifth marking period.

Grade Ten
First Honors: Judith Bangor, Karen Caserio, Joseph Ciliberti, David Edwards, Linda Lohman, Deborah Miller, Joseph Naylor, Michael Minno and Ann Wyane.

Second Honors: David Allen, Linda Antonelli, Andrew Bellis, Allan Bet, Karin Bruch, Philip Capozzola, James Dietz, Wendy Dietz, Peter Fauerbach, Ruth Heinsohn, Louisa Hummel, Yvonne Jelinek, Kittian Klingaman, Darlene LaBarre, Diane Moyer, Karl Rice, Craig Roberts, Robert Skrzypczak, Carol Strunk, Kathy Wallwork, Jacqueline Williams, and Marianne Williams.

Grade Eleven
First Honors: Sandra Bush, Bonnie Dietz, Sandra Hess, Winnifred Hughes, Richard Jones, George Price, Kathleen Reimer, Evelyn Stognia, Anthony Trigiani and Linda Wasser.

Second Honors: Diane Ackerman, John Beers, Annette Finelli, Lucile Fraga, Patsy Golden, Charles Kish, Marvin Lohman, Janie Marchal, Louisa Oyer, Ray Rosen, Mark Schiavone, Bruce Smith, Linton Wildrick, and Linda Zeman.

Grade Twelve
First Honors: Janet Amy, Cecilia Capozzola, Caria Creighton, Cecilia Delucco, Walter Emery, Connie Hughes, Elaine Kessler, Lucinda Lohman, Sharon Miller, Mauron Rice, Stella Skrzypczak, William Spangenberg and Marilyn Butz.

Second Honors: David Blau, Annette Bozzuto, Gail Carnea, David DeRosa, Kay Edwards, Kay Eyer, Kay Grigg, Orfan Handelson, Jean Klusko, Joyce Knecht, Joan Lambert, Brian Landry, Cynthia Nagy, Anthony Priori, Alan Pysher, Winnie Utsch, Donald Williams, Carmaine Wills, and William Yeager.

Sonic Booms Taken To Court

OKLAHOMA CITY, Okla. (AP) — Sonic booms that have been over central Oklahoma eight times daily made people jump as usual Tuesday despite a state court's temporary restraining order.

The case tentatively is scheduled to go to a federal court Wednesday and that day's 7 a.m. and 7:20 a.m. sonic blasts apparently were called off, said U.S. Atty. B. Andrew Potter. There was no explanation why those particular booms were canceled.

Potter said he had received no official word from Washington. He will represent government personnel involved in the suit, which seeks to halt the program entirely.

In Washington, a spokesman for Gordon B. Bain, the Federal Aviation Agency deputy administrator for supersonic transport development, said the state court's order had not been seen and no action had been taken toward it. He said government attorneys discussed the matter with State Dist. Judge Boston Smith who signed the restraining order.

Bangor Man Involved In 3-Car Crash

BANGOR — A Bangor man was involved in a three-car accident Tuesday on Rt. 611, three miles north of Easton.

Easton State Police identified the man as Adam A. E. Snyder, 69, of 609 S. Main St. Police said damage to Snyder's vehicle is estimated at \$150. Emma E. Bertha, 51, of Easton, RD 1, driver of a station wagon, was taken to the Easton Hospital for treatment, police said. She complained of back and neck injuries. State Police at Easton said damage to her car is estimated at \$75. David G. Lockwitch, 24, of Easton, RD 1 was driver of the third car. Police estimate damage to his car at \$50.

According to State Police, Emma Bertha pulled from the east side of the highway into the path of the Snyder vehicle. Snyder was traveling south on St. 611 and collided with the Lockwitch car.

3 Surprised By Police

MORGANTOWN, Pa. (AP) — Three Rochester, N.Y., men were surprised by police this week in the office of the Build-More Supply Co., a lumber firm. Police Chief Chester Klobukowski said the three — Thomas C. Wilson, 32; James Pratt, 35, and Cornelius Jones, 24 — apparently planned to open the safe when arrested.

Livestock Survey To Start In N'fld Region Monday

NEWFOUNDLAND — Postmaster C. L. Beecker announced yesterday that the semi-annual livestock survey, conducted cooperatively by the post office and the agriculture departments, will begin May 18 in this area.

Survey cards will be distributed by rural mail carriers and star route contractors. The cards will be placed in farmers' mail boxes, selected at random, on rural routes served by the Newfoundland Post Office.

These surveys are conducted each year as a basis for estimating numbers of livestock on farms; livestock production; the size of the pig, calf, lamb and wool crops; and the number of chickens raised. This information is of considerable importance to farmers, the livestock industry, industries serving agriculture, public agencies and the general public.

Monroe-Pike Planning

The Monroe County Planning Commission has suggested formation of a joint planning committee with Pike County to study mutual problems and propose common solutions.

Such joint planning between two counties with so many common problems is essential. But it should not take the place of hard work and careful planning by both counties within their own boundaries.

Northampton and Lehigh Counties have both separate and joint planning commissions. Lebanon and Lancaster Counties have a similar arrangement.

There are obvious areas of common interest in Monroe and Pike Counties. The tremendous impact on the water, recreation, utilities, highways, real estate development, population, schools and business economy of both counties must be studied, forecast and planned if we are to avoid chaotic growth in the Pocono Mountains.

Other areas of common interest, if not common action, are soil surveys leading to recommended standards for soil drainage and sewage disposal. Real estate development studies should lead to recommended minimum standards for lot and street size, layout and facilities.

Nine of Pike County's 12 townships and two boroughs have planning commissions, putting Pike County ahead of

Monroe County with six of 20 municipalities at some stage of the planning process at this action level.

An informal Pike County Planning Assn. with members from each planning community meets regularly.

It is of course at the borough and township level that the most practical planning can be done and the most effective zoning and regulation must be done.

But the county planning commissions should lead the way and do the county-wide studies and reports which each township and borough can use for local guidance and adaptation.

The Monroe County Planning Commission has suggested hiring a professional planning director who might be shared by Monroe and Pike Counties.

This may be feasible at the early stages of county planning. But if a Monroe County planning director does his job properly, he will have more than enough to keep him busy in Monroe County working on county plans and helping townships and boroughs which are just starting to plan for the future.

Whatever the form of cooperation, Monroe and Pike Counties cannot afford to ignore each other in their planning for inevitable growth in both areas. We face the same future. We will suffer the same fate if we do not work together.

Bushkill Relocation

Relocation of Bushkill is one of the most difficult problems posed by Tocks Island Dam.

Waters of the 37-mile reservoir will submerge Bushkill and residents must move out one way or another.

One way is for the Army Corps of Engineers to purchase each property and let each resident resettle himself where he can.

Another method of relocation is for the village of Bushkill to incorporate itself and then receive Army Corps of Engineers planning and financial assistance in relocating one community at a new site.

The second alternative promises more help from the government and a happier future for the residents of Bushkill. The history of similarly relocated "new towns" in America is bright with success stories of towns planned from the start.

The Bushkill problem is a two-county problem crying for Monroe-Pike County cooperation. Bushkill lies on the border and within both counties.

A complicated series of legal maneuvers may be needed to incorporate two separate Bushkills, one in Monroe and one in Pike, and then to merge them into a single borough before relocation as a single unit is possible. A simpler, one-step incorporation may be possible.

The steps which must be taken were outlined at a meeting in Bushkill April 16 by the Army Corps of Engineers and officials of the Water Resources Assn. of the Delaware River Basin.

Bushkill community leaders are now considering plans for boundaries of a proposed incorporated borough. Then a petition signed by a majority of voters within those boundaries must be produced to determine whether or not the people of Bushkill want to incorporate and relocate together.

It is a difficult legal and human problem for Bushkill residents to plan an orderly withdrawal from their homes and land to some new site. But it must be done, and the sooner the better for all.

Comment Of The Day

"The Republican party is the party of payrolls and production. It is our

opponents who are the party of debts, depression and doles."

— Senator Barry Goldwater.

The Pennsylvania Story

By Mason Deaton
HARRISBURG — The fact that the Legislature's "watchdog" committee is investigating the publicity and propaganda mill on Capitol Hill is as interesting and hopefully significant as it is ironic.

It should be of concern to every last taxpayer of the Keystone State who foots the bill — as well as to every resident who should know just what is going on in his (or her) state government.

As for the so-called "watchdog" committee itself — it's official name is the Joint Legislative Budget and Finance Committee — it is a creature of the legislative branch, not the executive branch.

Breathed into life in mid-1960, its basic purpose is to serve as the Legislature's constant "watchdog" on expenditures of the executive branch.

So far so good. Actually this full-time committee has more than made up its expense in actual savings of nit-swifty executive branch expenditures.

The somewhat humorous irony though of its current venture in checking over the publicity mill of the executive branch lies in the fact that the watchdog committee itself is as close-mouthed in its own accomplishments as a clam about to be nipped on the shores of the Chesapeake.

This agency, of all agencies, is the agency that seemingly should divulge its accomplishments more than any other

single agency—but it won't. For example, the committee discovered a number of obsolete-size tires "in storage" which could never be used; had them traded on contemporary usable sized tires. Net result: a loss converted.

(This sort of stuff we're not supposed to report. It might embarrass the department concerned.)

Or there is the case of one department that wanted more ground for one of its in-the-field operations. A check by the committee showed that if the existing area were cleaned up and the material on hand stored properly and efficiently, the new acreage would not be necessary. The land was not purchased.

(This sort of stuff though we're not supposed to report. It might embarrass the department concerned.)

Numerous incidents such as this are a matter of (committee) record this column has learned; incidents that actually and for once, really show a taxpayer how his money is being used—and saved—but this sort of thing, committee officials contend, isn't to be made public!

This is the committee though that is investigating the activities of the professional publicists and press agents of the various departments and state agencies cluttering Capitol Hill!

Such an investigation is long,

long overdue and unquestionably its findings will be most thorough and complete; it is ironic that the one agency that has the best story to tell—but is afraid to—should check on the over-telling by others!

The results should be as startling (comparatively speaking, of course) as those found on the national level in Washington last year when the House Government Information Subcommittee checking on money and manpower spent by the federal government on public information services reported 2117 employed at a salary total of \$15,896,020 and another \$10,263,386 spent for operating costs for "public information" services!

That's some \$26,000,000 spent by taxpayers to tell (you) what the government is up to—down in Washington. Pennsylvania's "watchdog" committee will come up with a similar (relative) finding on the Pennsylvania scene if it probes the press agency process to its fullest depth.

When you come right down to it, with a regularly assigned 25-member Capitol Hill press corps comprising professional newsmen—paid for by newspapers of the state, not taxpayers—there actually is little reason for existence of the tax-supported publicists (other than to serve as bureaucratic propagandists in striving to get across "the administration line")!

The Allen-Scott Report

U.S. Give-Away

Robert S. Allen

WASHINGTON — Congressional investigators are taking a close hard look at the sale of surplus farm commodities to Iron Curtain and other countries.

There is increasing suspicion that in addition to selling large quantities of grain and other commodities on what amounts to a give-away basis, the U.S. also is being stuck for unwarranted transportation charges.

Reason for this growing backstage belief is a report by Comptroller General Joseph Campbell disclosing that the Commodity Credit Corporation paid "excessive ocean transportation costs" on agricultural sales to Communist Yugoslavia and "neutrals" United Arab Republic.

In both instances, the wheat and other foodstuffs were, in effect, given away.

These so-called sales were made under Title I of Public

Law 480. Under this statute, payment was in Yugoslav and U.A.R. currency. Further, this local money remained in the two countries, some of it to be used for construction and other projects. The remainder was earmarked to the credit of the U.S. in the form of "counterpart funds."

The U.S. has more than \$105 million in such "counterpart funds" in Yugoslavia, and upwards of \$100 million in the U.A.R.

In the specific cases cited by the Comptroller General, the Commodity Credit Corporation footed \$146,000 in improper transportation costs on give-away sales to Egypt and \$132,000 to Yugoslavia — for an overall total of \$278,000.

While these amounts are relatively small, the congressional investigators strongly suspect they are indicative of a widespread practice of bureaucratic bungling or possi-

bly worse that may run into millions, as Title I, P.L. 480 sales run into the hundreds of millions.

That's why the probes want to know a lot more about "excessive ocean transportation costs" and what's being done about them — if anything.

Make 'em Pay It Back — Comptroller General Campbell is very explicit about what should be done.

Finally, he asserts these improper charges should be recovered — by direct crack-down, if necessary. Following is Campbell's stern finding:

"We are recommending that the Secretary of Agriculture take appropriate action to effect the recovery from the United Arab Republic and Yugoslavia of dollars to which the United States government is entitled because of excessive transportation costs financed by the Commodity Credit Corporation."

"To the extent required to liquidate the claims against these countries, consideration should be given to withholding amounts due the United States government from dollars otherwise due these countries. Appropriate implementation of this recommendation takes on added significance in view of the current international balance-of-payments deficit of the United States."

That puts it squarely up to the Agriculture Department and the State Department. What they will do remains to be seen. The odds are against the State Department's doing much.

It's not given to either speed or forcefulness in such matters.

A Secret Service Secret — James Rowley, highly regarded veteran head of the Secret Service, at a private meeting of the House Appropriations Committee, made one observation about guarding a President that was extremely revealing.

The comment, spontaneous and from Rowley's heart, told a great deal about the problems faced by the Secret Service — and also about the late President Kennedy.

The committee was considering the Secret Service budget, and Rowley was closely questioned on a wide range of matters. Representative Silvio Conte, R-Mass., was particularly searching. Patiently and thoughtfully, Rowley answered all questions until one committee member blurted out:

"Isn't it true that the late President traveled around Washington at night some times without a Secret Service guard?"

"Yes," replied Rowley, "But how in hell could you protect a President who didn't want to be protected? There were a number of times when he slipped away from us at night. He didn't want us, and there wasn't a thing in the world we could do about it."

The committee, in voting a \$150 million budget for the FBI and expanding its authority to include "protection of the person of the President of the U.S.," also empowered it to buy "one armored vehicle."

There was no explanation for this mysterious provision. It is not known whether the armored vehicle is to be used in protecting the President or visiting VIPs.

FBI Director J. Edgar Hoover told the Appropriations Committee that his agency has made more than "250 investigative reports containing more than 10,800 pages" to the Commission on President Kennedy's assassination.

Dear Abby

One Mother's Headache

Abigail Van Buren

DEAR ABBY: Please print this. Maybe it will spare some other mother the heartbreak I suffered. I am the mother of a retarded son. When he was very young, my family and my doctor tried to get me to put the boy in an institution, but I loved him so dearly I could not bear the thought of putting him away. I thought I could give him the care he needed, so I kept him at home. I didn't know how wrong it was. As the years passed, he developed normally physically, and he began to take notice of the girls. One day he grabbed a little 11-year-old neighbor girl and tried to rape her. The outcome was so terrible for our family. My boy is now in an institution, branded as a "rapist." If I had only listened to my family, this would not have happened. Please advise mothers of retarded children to learn all they can about their problem.

HEARTSICK

DEAR HEARTSICK: Thank for your letter. If it helps just one mother, it will be well worth the space it is given in this newspaper. For problems of retarded children, write to: National Association for Retarded Children, Dept. TV, 388 Park Avenue South, N. Y. 16, N. Y.

DEAR ABBY: How many times should you invite a couple to dinner when they have never had you back? I invited a certain couple to my home for small dinner parties on three separate occasions in this past year, and they never invited us back. I am planning another party and

my husband suggested I invite this couple. I told him I would not invite them again until they returned the invitation. My husband says I shouldn't be so "touchy." Abby, these people have entertained many times that I know about, and my intuition tells me they could have invited us if they had wanted to. What do you say?

"TOUCHY"

DEAR "TOUCHY": I'll go along with your woman's intuition. Don't invite them again until they have invited you.

DEAR ABBY: Unfortunately I go to the same beauty shop as the woman who owns and manages the apartment building I live in. My problem is that this woman tells the beauty operator all my business while she gets her wash and set. It's a neighborhood shop, and many of my friends go there, too, and they all listen in while this landlady blabs all my personal business and especially about the family arguments she hears. The beauty operator not only eats it up, but pumps her for more. What can be done about this?

ANTI-BUSYBODIES

DEAR ANTI: You can't shut up your landlady, but you can move. You can also operator doesn't feast on the domestic scraps of others.

CONFIDENTIAL TO F. G. B.: Your letter was a dandy, but too long to print. I agree with you. To sum it up: "What we don't spend on education today we will spend on penal institutions tomorrow!"

Speaking Of Your Health:

New Hard Way To Lose Weight

By Lester L. Coleman, M.D.

Diet devotees have a great competitive spirit. Motivated by one common objective—to shed that girdle of fat—the enthusiasts for steak and eggs will battle it out with the cottage cheese and fruit crowd.

High protein, low sugar, medium fat, high fat (polyunsaturated, of course), all-you-want-to-eat, all-you-don't-want—these seem to be no limit to the creativity of diet promoters. Each day seems to produce a new miracle diet.

Of course, there is no miraculous way to lose weight. First, you must understand why you gain weight. All food contains calories. Some, more; some, less. Your body needs calories for fuel. The more active you are, the more fuel you need.

Input Vs. Output
If you consume more calories than your body needs for fuel, then you will gain weight. If you eat fewer calories, then you will lose weight. In other words, you are gaining weight because you are eating more high-calorie foods than your body requires.

With the approaching beach season, avid scale-watchers are spurred on to great efforts. The spring and summer editions of fashion magazines mercilessly show bony-framed, sunken-checked bathing suit

models just two pages before presenting their latest "crash" diet for slimming you down.

Fleeting Results
Watch out for those "crash" diets. The results are too often as temporary and fleeting as the period of dieting itself. They can be helpful in getting you off to a good start, but if you really want to stay thin you will have to readjust your eating habits.

If you are starting to feel sorry for yourself, it will be good for your morale to hear about a recent test that was made at a university hospital. Your unwanted pounds will shrivel at the mere thought of such a rigorous program of weight reduction.

Really Starved
Nine men and one woman, all very obese, volunteered to donate excess pounds to scientific research. They were put on a starvation program — yes, absolute starvation — for periods of time ranging from 12 to 117 days.

Water and vitamins were their only nourishment. You will agree that even the exquisite talents of a French chef would hardly be ingenious enough to brew a tasty dish from such a poorly stocked cupboard.

But the sacrifice was not without reward. Most of the volunteers lost about two pounds a day. One man lost 116 pounds during the period.

Off The Record: —By BOB CLARK

Big things come in little packages. Fran Shinn comes into this category.

Shinn, co-owner of Vacation Valley, is one of the Pocono Mountains' biggest boosters.

Fran can't keep still extolling the merits of the mountains. Naturally he might be a little prejudiced in his accolades, but overall the small-size version Red Skelton tub — thumps Monroe County and its surrounding territories to the highest.

Fran, a fellow who bypassed big jobs with big ideas in the

big city, is a community leader too. He has helped many projects go over the top, plus continual financial plugging for Blair Academy, the prep school across the Delaware on the Jersey side.

The resident of Colbert St., Stroudsburg, is willing to converse with anyone on any subject. And the little bundle of energy can qualify as an expert on most topics.

The other day Fran forecasting the future for the Poconos. "We cannot comprehend the explosion that will erupt — financial and

Dignity Or Votes

WASHINGTON — A young woman with the civilly unrighteous name of Ymelda (pronounced "cloture") announced this morning that the criticism of President Lyndon B. Johnson for indulging in undignified antics was becoming more than she could bear.

"I'm sick and tired of it," she said.

"It's all right for you to be tired," I said, "but you can't afford to be sick. Those group plans don't pay a big enough share of medical bills, no matter what they say in their advertisements."

"Most amusing," sniffed Ymelda, looking unamused. "Now, let me have your honest opinion about all these criticisms."

"Well," I said, "they say he is losing dignity."

"He may be losing dignity," cut in Ymelda, "but he's gaining votes."

I said this was not the question. Ymelda retorted that it must certainly was.

"For every ounce of dignity he loses," she continued, "he gains five bushels of votes."

litically, why do I see so many Washington observers shaking their heads?"

"To clear them, maybe," suggested Ymelda. "How many people, except a few of our locally clogged minds, are aware of these so-called undignified goings-on? How many members of the body politic — meaning voters, you ignoramus — have seen him exhibit leeches? How many have ridden with him at 90 miles an hour? How many have been close enough to tell him, 'Mr. President, you're fat?'"

"I said I didn't have the figures," Ymelda answered her own question.

"Only a handful of reporters, that's all. And if I know the White House correspondents, a lot of them won't bother to vote anyhow, even though the District of Columbia now has the vote for President and Vice President."

"They just won't have the willpower to break the no-voting habit. Most of the voters aren't even aware of all this innocent horseplay."

"I dunno," I said, "I think they're aware of how he sometimes goes to the White House gates and invites rubber-neckers in."

"And you think that will damage him politically?" scoffed Ymelda. "He invites these people in on the assumption that they have the franchise, and exercise it."

disguised as a hobolink—"

"The President does things that the voters understand," interrupted Ymelda. "For instance, look at the way he made civil rights understandable. He said that segregation meant his colored rook, Zephyr Wright, couldn't go to the bathroom between the Texas ranch and the White House. People can understand that."

"But he makes it so hard for newspapermen to keep tabs on him, especially at the ranch," I persisted.

"They complain because he won't stay inside his fence," said Ymelda. "He's been going beyond that fence for 55 years. He's a grown man, and not used to sounding a national alert just to drive to Johnson City. In fact I think he's the guy they wrote that song about 'Don't Fence Me In.'"

"All right," I conceded. "You win — but what about him wanting historians to reassess his office? If he can have his office reassessed, why can't I have mine?"

"If they ever assessed your office," said Ymelda, "they'd lower the assessment."

\$17,039,038 Poured Into Area By State

Record Harrisburg Bureau — The State poured an estimated \$17,039,038 into Monroe County during the past fiscal year ending June 30, a check with the Legislature's Budget and Finance ("Watchdog") Committee revealed yesterday—down \$2,716,883 from the preceding year which was a 13-month fiscal year.

The multi-million-dollar expenditure in the county during the 12-month period represents a host of state services, as exemplified by the following department-by-department breakdown (preceding 1961-62 fiscal year expenditures are noted in parentheses):

- Agriculture: Payments and indemnities including amounts paid to counties for marketing activities, plant industry and animal industry, \$441 (\$517).
- Forests and Waters: Stream clearance and flood control work, \$251,176 (\$1,283,556); state parks in the county, \$73,187 (\$35,382); forest services including forest protection, nurseries and forest advisory services, \$178,097 (\$343,027); fixed charges for forest lands and flood lands, \$862 (\$862).
- Health: School health ex-

House Unit Cards Tocks Hearings

Special to The Daily Record — WASHINGTON — The House National Parks has scheduled public hearings on three bills now before the House of Representatives "to authorize the creation of the Tocks Island National Recreational Area."

The hearings will be held Monday and Tuesday, June 8 and 9, in room 1324 New House Office Building, Washington, D.C.

Persons or organizations wishing to give verbal testimony should write to Congressman Wayne N. Aspinall, chairman, House Committee on Interior and Insular Affairs, or Thomas G. Morris, chairman, House Subcommittee on National Parks, both at U.S. House of Representatives, Washington, D.C. 20515.

The letter should ask that the person or organization be listed on the subcommittee's agenda on either of the two days.

Verbal testimony should be limited to about 10 minutes and preferably should be a brief of any written statements to be filed with the subcommittee.

Written statements may be submitted on the days of the hearings or sent before the hearing dates to either of the congressmen with a request that they be included in the hearings on the bills.

The bills, H. R. 2441, H. R. 2532, and H. R. 8008 are virtually identical copies are available by writing to the Clerk, U.S. House of Representatives, Washington, D.C. 20515.

Two Injured In Crash In West End

BRODHEADSVILLE — Two persons were injured in a two-car accident yesterday at 5:10 p.m. at the intersection of Rt. 115 and Rt. 209 in Brodheadsville.

Miss Margaret Snyder, 18, of Palmerton, RD and James Motts, 25, of Bartonsville, were admitted to the General Hospital of Monroe County. A hospital spokesman last night said their condition is guarded.

Wesley Siffles, 53, of Saylorsburg, was identified as the driver of the south-bound vehicle by Fern Ridge State Police. Motts was identified as the driver of the other vehicle in which Miss Snyder was a passenger, police said.

Siffles was in the Rt. 209 south-bound lane attempting a left turn into a garage when the collision with the Motts vehicle occurred. Motts was traveling north on Rt. 209, according to Fern Ridge State Police.

Damage of \$350 is estimated to each of the vehicles. The investigation is being continued, according to police.

Obituaries

Daniel D'Imperio Mass Celebrated

BANGOR — A solemn high requiem mass was celebrated yesterday at 10 a.m. in Our Lady of Mount Carmel Roman Catholic Church for Daniel D'Imperio, 53, of 1526 Edison Place, New York City, and formerly of Roseto.

The Rev. Michael O'Brien was celebrant and the Revs. Genaro Leone and Eugene Davis were deacon and subdeacon.

Burial was in the Catholic Cemetery in Roseto.

Military services were held at the graveside with members of Martocci-Capobianco Post 750, American Legion, Roseto, officiating. Also participating was the Junior Rifle Squad.

Members of the squad were Dominic DeFranko, Stephen DeFranko, Daniel Mollo, Robert Castellano, Leonard Romano, James Campanaro and Joseph Angelini. Albert Ronea was the bugler. The firing squad was under the direction of Frank DeFranko.

Honorary pallbearers were Lorenzo Capobianco, Matthew Sabatone, Joseph Veto, Nicholas Caccarino.

Active pallbearers were Louis Calazio, Dennis D'Imperio, Pat Provanzano, Dominick Provanzano, Joseph Figlio and Kenneth Schleppey.

Servicemen funeral home was in charge of arrangements.

Mrs. Ruth Lee's Funeral Held

STROUDSBURG — Funeral services for Mrs. Ruth V. Lee, 50, of 611 Sarah St., Stroudsburg, were held yesterday at 2 p.m. in the Daniel G. Warner Funeral Home with the Rev. Norman R. Savage officiating. Burial was in the Prospect Cemetery, East Stroudsburg.

Pallbearers were George Possinger, Alvin Possinger, Lowell Possinger, Robert Possinger, Waldon Smith, and Kearney Hennion.

LBJ Invited

PHILADELPHIA (AP) — An invitation to attend the May 28 ceremonies dedicating the deepened Delaware River channel has been extended to President Johnson. Francis Smith, city Democratic chairman, and former Gov. David L. Lawrence, invited the President Monday at a meeting with White House aides.

—Public Instruction: Federal school lunch program, \$27,733 (\$24,071); federal school milk program, \$23,852 (\$21,898); improvement of library services, \$4,733 (\$1,718); aid to free public libraries, none (\$4,532); Manpower Development and Training Act, \$9,313 (none); National Defense Education Act, \$20,981 (\$26,099); vocational education, \$5,851 (\$5,546); County Supervision

County supervision, salaries and expenses, \$36,066 (\$34,130); expenses of county boards, \$400 (\$570); support of public schools, \$1,146,066 (\$1,142,484); special education, \$84,595 (\$88,228); tuition for court placed children, \$13,007 (\$11,278); transportation subsidies, \$151,352 (\$137,392); auxiliary rentals, \$147,416 (\$157,208).

Motor Fund

—Motor Fund: Highway expenditures including payments to localities, construction, reconstruction, maintenance, surface treatment and snow removal, \$10,178,919 (\$11,799,923); driver training, \$3,229 (\$2,025).

—State Highway and Bridge Authority: Contracts completed, \$378,730 (\$531,734).

—General State Authority: Contracts entered into, none (\$169,651); contracts completed, none (\$208,036).

—Estimated annual salary (state payroll) payments: By county of voting residence, \$1,150,118 (\$1,460,156).

Students Behavior Lauded

BANGOR — Letters complimenting the senior high school pupils of the local school system for their behavior during a recent group of trips to the National Science Fair were read to the Bangor Area Joint School committee at a meeting Wednesday night.

The letters were presented to the board by Dr. S. William Ricker, superintendent of schools.

Students of the school were also guests at the meeting. They were recently elected to serve in offices in the Jointure during Government Day this Friday.

They were introduced by Earl Lutz, senior high school advisor, and David Blau, president of the student council.

During the meeting students representing the junior high school student council presented a check for \$400 to the committee as a second installment on the money advanced by the board to install the inter-communication system in the junior high school.

Previously, this group had returned \$1,200 and with the payment last night have repaid \$1,600. The original loan was \$2,200.

The board approved the change in the school calendar from 187 pupil days to 181 due to the six days off from school last winter due to snow.

Charles Williams, chairman of the athletic committee, told the meeting that the Bangor Park board had agreed to add additional seating at the Memorial Park Stadium this summer.

—Military Affairs: Support of the National Guard, maintenance of armories, veterans' assistance, veterans' orphans and airport construction and improvement, \$9,276 (\$13,364).

—Property and Supplies: General State Authority rentals, \$214,471 (\$192,870).

—Public Instruction: Federal school lunch program, \$27,733 (\$24,071); federal school milk program, \$23,852 (\$21,898); improvement of library services, \$4,733 (\$1,718); aid to free public libraries, none (\$4,532); Manpower Development and Training Act, \$9,313 (none); National Defense Education Act, \$20,981 (\$26,099); vocational education, \$5,851 (\$5,546); County Supervision

County supervision, salaries and expenses, \$36,066 (\$34,130); expenses of county boards, \$400 (\$570); support of public schools, \$1,146,066 (\$1,142,484); special education, \$84,595 (\$88,228); tuition for court placed children, \$13,007 (\$11,278); transportation subsidies, \$151,352 (\$137,392); auxiliary rentals, \$147,416 (\$157,208).

Scotsman Entertains Kiwanians

STROUDSBURG — Jack Harris of Lakewood, N. J., entertained the Kiwanis Club of Stroudsburg at the weekly luncheon meeting, yesterday at the Penn-Stroud Hotel. His program was entitled, "A Breeze From the Heather Hills."

Harris who was born and raised in Glasgow, Scotland, worked on the Wall Street Exchange in New York for 22 years. After his retirement 10 years ago, he adopted music and song as a hobby. Harris has appeared at leading hotels in New York City and frequently entertains service personnel in government hospitals.

The entertainer, known as "Kittie with the Concertinas," presented a program of Scottish melodies and Mac Gregor stories.

Harris, using the concertina, produced the sounds of Scottish bagpipes and organ music.

He led the Kiwanians in group singing of familiar Scottish tunes. The program concluded with the membership singing "Auld Lang Syne."

The program chairman was Fred W. Kogley.

Elton B. Tait, assistant director of Extension Services of the Northeast District of the Penn State University, was a guest at the meeting.

Assault: 'Battle Of Love'

STROUDSBURG — "A battle of love" that erupted on Mother's Day in 1963 between six relatives who were partners in the Pocono Lake Diner is the basis of an assault and battery trial that will move into its third day this morning in Monroe County Court.

The trial is built around charges brought by Daniel Rosenthal, 41, and Ronni Rosenthal, his daughter-in-law, against Mr. and Mrs. Louis B. Miller, his sister and brother-in-law, and Mrs. Anna Schwartz, his mother-in-law.

During yesterday's proceedings Rosenthal and Ronni testified the defendants came to the jointly-owned diner and, after an argument over the business records, beat them both up, made threats with a knife and smashed dishes.

The three defendants countered with claims they traveled from their Philadelphia home merely to check on the diner's operation and only the fight that took place was one Rosenthal provoked by throwing a punch at Louis Miller, who promptly defended himself by fighting back.

The trial is being heard by a jury of 10 men and two women before President Judge Fred W. Davis. James R. Marsh, Monroe County district attorney, represents the Commonwealth. Atty. Harry Lee is the court-appointed lawyer for the defendants.

Resumes Today

The trial will resume today at 9:30 a.m. when both lawyers will give their summations and Judge Davis will deliver his charge.

Marsh received a jolt during yesterday's morning session when a defense witness, Francis Sweeney of Buttonwood, Pa., presented damaging testimony. Sweeney was a dishwasher at the diner.

Sweeney said he was present during the commotion and all he saw was a shoving and pushing battle between Rosenthal and Louis Miller. This testimony was in direct conflict to what Rosenthal had told Marsh to expect.

Marsh pleaded surprise and requested and was granted permission to cross examine Sweeney to attack his credibility as a witness.

Sweeney said he saw no evidence of a fight nor was there any evidence of Mrs. Schwartz threatening Rosenthal with a knife. He also said he had never discussed the incident with the state police before the trial.

In an effort to rebut this testimony, Marsh produced A. J. Wilson, of Exeter, a special investigator for the National Board of Underwriters who testified Sweeney discussed the incident with State Trooper Stanley Komonski in his presence.

On re-direct examination, Rosenthal said Sweeney told him he would not appear in court unless subpoenaed. Rosenthal claimed Sweeney told him he had seen Miller throwing punches at Rosenthal.

Ronni Rosenthal, who was working as a waitress at the diner, said Mrs. Miller attacked her hitting her on the face and the back. She also claimed Mrs. Miller went to the rear of the diner and picked her baby up and threw him across a playpen.

Ronni said she went to Dr. James Kitchen for treatment and was forced to wear a back brace for three months.

Mrs. Miller vehemently denied the allegations and said she never touched Ronni while the three defendants were in the diner — about two hours time.

Dr. Kitchen was called and he said he treated Ronni, and said "I am broke, I need some money and I want to look at the books." I said "I have a lawyer and you have a lawyer and they will handle the books."

"He hit me with his fist and I was stunned and he hit me again and I fell to the ground."

While on the stand Rosenthal testified:

"Louis (Miller) walked in and said 'I am broke, I need some money and I want to look at the books.' I said 'I have a lawyer and you have a lawyer and they will handle the books.'"

"Since being associated with Mr. Rosenthal I have been provoked a few times. I have been in two other fights but I haven't had any charges filed against me," Miller said.

Phila. Orchestra Manager

Art Center Names Director

STROUDSBURG — Henry Peltier, manager of the Philadelphia Orchestra, will become executive director of Pocono Art Center Inc. on Aug. 1.

The surprise announcement was made yesterday by Mrs. Marcia Clapp DeRocco, chairman of the center, at a luncheon in the home of Mr. and Mrs. Frank I. Patterson Jr. on Dreher Ave. in Stroudsburg.

Peltier will be the first full-time executive employed by the cultural organization.

"Following a search throughout the entire music field, we believe that our choice of Peltier, by virtue of his experience in various areas of musical activity, is one which will do much to develop the center and make it one of the finest in the country," Mrs. DeRocco said.

"Invaluable Background"

"Peltier's extensive association with artists, his familiarity with both the standard and classical repertoire, his dealing with musicians and his previous career as a performer will contribute invaluable background to his directing the Center's plans for the future," Mrs. DeRocco continued.

Sweeney Craver, member of the Center's board of directors said, "The Pocono Art Center has taken another in a series of steps designed to offer residents of the area and visitors the finest festival programs available."

Peltier, a native of Michigan, received his college education at Santa Clara University in California. Following three and a half years as a mounted Cavalry Bandman in World War II as solo clarinetist he returned to a career as baritone soloist and orchestra management.

He has managed the Wichita Falls, Texas Symphony; the Wichita, Kansas Symphony; the West Shore Symphony, Michigan; the Dallas, Texas Symphony; and the Philadelphia Orchestra.

He has also served as music research director for the American Symphony Orchestra League under a special Rockefeller Foundation grant.

Commercial Pilot

During his career, Peltier has presented weekly classical music programs over the Mutual Network and served as host for many television programs.

He is in constant demand as adjudicator for music competitions.

He has served two years as chairman of the Metropolitan Managers Assn. and instructor for six American Symphony Orchestra League management courses.

Phila. Orchestra Manager

Art Center Names Director

STROUDSBURG — Henry Peltier, manager of the Philadelphia Orchestra, will become executive director of Pocono Art Center Inc. on Aug. 1.

The surprise announcement was made yesterday by Mrs. Marcia Clapp DeRocco, chairman of the center, at a luncheon in the home of Mr. and Mrs. Frank I. Patterson Jr. on Dreher Ave. in Stroudsburg.

Peltier will be the first full-time executive employed by the cultural organization.

"Following a search throughout the entire music field, we believe that our choice of Peltier, by virtue of his experience in various areas of musical activity, is one which will do much to develop the center and make it one of the finest in the country," Mrs. DeRocco said.

"Invaluable Background"

"Peltier's extensive association with artists, his familiarity with both the standard and classical repertoire, his dealing with musicians and his previous career as a performer will contribute invaluable background to his directing the Center's plans for the future," Mrs. DeRocco continued.

Sweeney Craver, member of the Center's board of directors said, "The Pocono Art Center has taken another in a series of steps designed to offer residents of the area and visitors the finest festival programs available."

Peltier, a native of Michigan, received his college education at Santa Clara University in California. Following three and a half years as a mounted Cavalry Bandman in World War II as solo clarinetist he returned to a career as baritone soloist and orchestra management.

He has managed the Wichita Falls, Texas Symphony; the Wichita, Kansas Symphony; the West Shore Symphony, Michigan; the Dallas, Texas Symphony; and the Philadelphia Orchestra.

He has also served as music research director for the American Symphony Orchestra League under a special Rockefeller Foundation grant.

Six Deeds Filed At Courthouse

STROUDSBURG — Six deeds were filed yesterday in the office of Mrs. Jeannette F. Batory, Monroe County recorder.

They were Joseph R. and Rose C. Matloff of Philadelphia to Guido and Catherine Valentine of Farmingdale, L.I., and Alfred and Isabel Guido of Philadelphia, property in Pocono Twp.

Also Ralph R. Hancy and Ada May Wellershaus, both of Stroudsburg RD 2, to Jacob F. and Kathleen L. Altomero, of Stroudsburg, property in Hamilton Twp.; Mary L. VanBuskirk of Hamilton Twp. to Terry H. and Jennie C. Bartleson of Hamilton Twp., property in Hamilton Twp.

Also Dale H. and Pauline G. Leary of Stroud Twp. to Michael J. Whalen of Philadelphia, property in Smithfield Twp.; Fenton C. and Annie D. Miller of Crofton, Pa., to Thomas G. and Angella Mecca of Philadelphia, property in Coolbaugh Twp.

Also Pocono Lakeshores, Inc. to George and Helen Lapczynski of New Brunswick, N.J.

Prof. DeNike To Attend LBJ Parley

Howard R. De Nike, Associate Professor at East Stroudsburg State College was invited yesterday to take part in the ninth biennial President's Conference on Occupational Safety in Washington, D.C., June 23-25.

The meeting, to be opened by President Lyndon B. Johnson, will bring together leaders of all segments of the economy from all parts of the nation, to consider ways to reduce the toll of occupational accidents.

The conference theme is "Mobilizing Leadership for a Safety Breakthrough." It recognizes that the Nation's job safety efforts have reached an apparent plateau. Overall accident rates have remained close to the present level in recent years.

In three plenary sessions and 13 workshops, the participants will try to devise new techniques, and new applications of tested procedures, to start accident rates again on their long-time downward trend.

They will hear President Johnson re-state his continuing interest in the problem, and new insights into its various phases from scientists and leaders of business, labor, and education.

W. Willard Wirtz, Secretary of Labor, is general chairman of the conference. Reed O. Hunt, chairman of the board of Crown-Zellerbach Corporation, is executive director. More than 100 volunteer leaders of business, labor, government, and other fields are engaged in planning the many sessions involved.

SU Students Tour Depot

STROUDSBURG — Thirteen Stroud Union Industrial Arts students toured the Tobyhanna Army Depot Tuesday and saw how the depot's electronic brain operates.

Vincent J. Beggane, electronic equipment representative of maintenance division, acted as guide through the administration building and maintenance division shops.

The following boys toured the depot:

George Van Buskirk, Bruce Widmer, Danny McConnell, Paul Warner, Peter DeSanto, John Zateeny, Barry Schuler, John Sipitroli, Riley Beech, Bruce Peller, Robert Berwick, John Krause, and Tom Andre. John G. Montgomery is class advisor.

Railroads Win U.S. Injunction

WASHINGTON (AP) — The nation's railroads won a permanent federal court injunction this week against any strikes by union firemen in connection with a federal arbitration ruling eliminating many jobs.

Dist. Judge Alexander Holtzoff said he will hold in contempt of court any official of the AFL-CIO Brotherhood of Locomotive Firemen and Enginemen who instigates or encourages any strike in defiance of the injunction.

Holtzoff also said any railroad employee who fails to show up for work could be subject to discharge and lose all his seniority rights and his rights under the arbitration ruling.

Holtzoff rejected a union request to restrain the railroads from putting into effect disputed interpretations of the arbitration award until the seven-man arbitration board settles the disagreements over the order's terms.

Poconos To Be Site Of One Highways' Public Airings

HARRISBURG — The newly created State Highway Commission has scheduled a series of five public meetings across Pennsylvania to "feel the pulse of the people." Highway Secretary Henry D. Harral said yesterday. The initial meeting will be held in Pittsburgh on May 22. The sessions will continue for the succeeding four Fridays in Philadelphia, Harrisburg, in the Poconos and Erie.

Dr. Leitner Re-Nominated For 6-County Cancer Post

STROUDSBURG — Delegates from six northeastern Pennsylvania counties will elect a medical director to the Pennsylvania Division, American Cancer Society, board of directors, today. County Units sending representatives are Carbon, Lackawanna, Monroe, Northampton, Pike and Wayne.

The meeting will convene at the Penn-Stroud Hotel, Stroudsburg, at 6:30 p.m. Delegates to the election caucus will vote on the nomination of Moses Leitner and any others nominated at the meeting.

Dr. Leitner is the present medical director for District 3, and has been re-nominated by the Monroe County Unit of the Society. He has long been active for the Society on both the Unit and Division level.

A former president of the Monroe Unit, he now serves on the Division board's professional education and service committees.

He is a member of the College of American Pathologists, American Society of Clinical Pathologists, Pennsylvania and New Jersey Societies of Clinical Pathology, and the American Medical Association.

George R. Stanton, Honesdale, lay director for the same district, will preside at the meeting.

Dale Lounsbury, director of public education for the Pennsylvania Division, will speak to the delegates and other Unit representatives on the operation and responsibilities of an ACS public education committee. The public education committee of each Unit has charge of the Society's programs to reach everyone with the message that they should have regular physical checkups and watch for cancer's seven danger signals. A discussion will follow the presentation.

Fires Rage In State

Wind-whipped forest fires destroyed nearly 2,000 acres of timberland in Schuylkill, Carbon, Dauphin, Blair and Cambria counties over the weekend.

North Slusser, district forester for the Weiser District, said the biggest of the fires destroyed an estimated 1,500 acres southeast of Frackville on Broad Mountain in Schuylkill County. Some 200 fire fighters were called out.

Slusser said the cause was being investigated.

"Somebody set off the fire," he said, "They set fires in several different locations."

Slusser said there were 14 fires spread from Carbon, Schuylkill and Dauphin counties Saturday.

He said there were three smaller fires Sunday, one near Albrightville in Carbon County, one near Minersville and one on the Lehigh River Gorge.

At least two fire fighters were injured or overcome by smoke in the Dauphin County blazes.

roads association representatives an opportunity to present testimony on area road priorities. At the same time the Commission will be acquainted with community and area re-development plans.

The public meetings are a requirement of the 1963 legislation that created the Commission for the purpose of developing a six-year construction program.

Last week the Commission adopted the 1964-65 construction program presented by the Highway Department and at the same time received a detailed 1965-66 program. Action on the latter is expected at the Commission's next session.

"We want to hear the facts," Harral said. "We want to know what the people want so we can funnel this important local information into our machinery."

Harral said persons wishing to offer testimony at the public meetings should contact any of the Department's 11 district engineers who will schedule the appearance of representatives. Each representative will be given an assigned time to appear. The sessions are expected to take most of the day.

The Commission, in addition to Secretary Harral, includes State Senator George N. Wade; State Representative Ralph J. Down; Louis G. Feldmann of Hazleton; Harold G. Resnik of Erie and Roy E. Furman of Waynesburg.

Youth Stabbed

PHILADELPHIA (AP) — Francis Layman, a 16-year-old high school sophomore, was stabbed in the neck this week by youths who attacked him and two companions. He is in critical condition at Philadelphia General Hospital.

Police said the unprovoked attack occurred as Layman, George Stewart, 15, and Daniel Sweeney, 16, walked to Bishop Neuman Catholic High in south Philadelphia.

Layman and his friends are white. Police said the attackers—who fled—were Negroes.

DR. LeROY J. KOEHLER, president of East Stroudsburg State College, expresses best wishes to Miss Ruth Martin and Miss Catherine Reimard upon their retirement after a combined total of 49 years service to ESSC. Observing the handshake is William Eden, president of the ESSC branch of the Pennsylvania State Education Association.

Chamber Dinner Tuesday

STROUDSBURG — Victor C. Diehm of Hazleton will be the featured speaker Tuesday, May 19, at the Pocono Mountain Chamber of Commerce meeting in the Penn-Stroud Hotel, Stroudsburg.

The meeting is of three-fold purpose. It will welcome new industries recently located in the area, give added information to industries hoping to locate here, and serve as a testimonial dinner for Montgomery E. Crowe for his work in obtaining industry to locate in the area.

Diehm is described by noted musician Meredith Wilson as "An extremely likeable fellow whom everyone calls Vic."

He is listed in "Who's Who in the East" and is president of Hazleton Development Corp. He is also president and director of WAZL in Hazleton.

Tickets have been mailed to members. For additional tickets contact the chamber's office in Stroudsburg.

Policeman Shot

JAMMU, Kashmir (AP) — Indian authorities reported Tuesday that forces from the Pakistan side of the Kashmir cease-fire line opened fire on an Indian patrol 85 miles northwest of Jammu and seriously wounded an Indian armed policeman.

Dies In Fire

WILKES-BARRE, Pa. (AP) — Fire swept a four-story apartment house here this week killing Lester Steel, 49, and roasting 28 other persons. Cause of the blaze is under investigation.

West Germany Buys Ships

BONN, Germany (AP) — West Germany agreed Monday to buy three U.S. guided missile destroyers equipped with the latest weapons.

A memorandum was signed by Secretary of Defense Robert S. McNamara and Kai-Uwe von Hassel, German defense minister, said a communiqué. McNamara then left by plane for South Viet Nam.

McNamara told reporters that among other things, he and his German hosts agreed "that the defense of the free world, in particular in South Viet Nam, is indivisible."

Brush Fire

WIND GAP — Plainfield Twp. firemen extinguished a brush fire Monday on a tract along the Pen Argyl-Wind Gap Road.

Nearly two acres of brush burned in the blaze which the volunteers fought with booster streams and portable tanks. Fire Chief Stewart Marsh said he believed the fire started from burning trash.

Sanctuary Dedication Saturday

STROUDSBURG — Dr. LeRoy Koehler, president of East Stroudsburg State College, and the Rev. Peter Emmons will help dedicate the Claude W. Leister Bird Sanctuary Saturday at 2 p.m. at the Pocono Wild Animal Farm, Stroudsburg R.D. 1.

Several acres of woodland on two sides of the farm off Alternate Rt. 611 on Foxtown Hill will be set aside for bird watching.

The project has been named in memory of the late Dr. Claude W. Leister, a zoologist and naturalist who founded the Wild Animal Farm. A sign at the sanctuary entrance will note that the project is dedicated "to him whose first love in nature was birds."

Dr. Leister's widow, Mary, said that more than 50 varieties of birds, including migratory visitors, have been observed in the sanctuary area, which is situated on one of the minor flyways of the East. A rocky peak in the area is a favorite nesting place for the farm's peacocks and ducks.

Originally, the sanctuary will remain as rough woods with a path and benches for visitors as the only improvements. Later plans call for the establishment of walk-in aviaries and a duck pond.

Before founding the Wild Animal Farm in 1948, Dr. Leister was assistant to the director and curator of mammals at the Bronx Zoological Park.

Swartley Harvard Scholar

BOSTON — John S. Swartley of Stroudsburg is one of 33 Baker Scholars of Harvard Business School who will graduate this year.

A Baker Scholar is the highest scholastic honor possible for a Harvard Business School student to receive before graduation.

Baker scholars are chosen on the basis of a straight averaging of their course grades, and represents the top five per cent of the class.

The Baker Scholars were established in 1939 and are named after the first great benefactor of the business school, the late George Fisher Baker, a New York banker.

Swartley graduated from Lehigh University in 1960 with a B.S. in Chemical Engineering. He was employed as a production supervisor with Union Carbide Chemical Co. from 1960 to 1962 and spent six months in the U.S. Army Reserve.

Methodist Youth Parley In Phila.

MOUNTAINHOME — "The Shattered Word" is the theme chosen by the Philadelphia District Conference of the Methodist Church, for the youth delegates conference Saturday and Sunday in Philadelphia.

Elwood Johnson, Jr., of Mountainhome Methodist Church is official youth delegate. He and seven other young people from the church will attend the conference and the final session Sunday in Baptist Temple on Temple University Campus at which time ordination ceremonies will be held at the reading of clergy appointments by Bishop Fred Pierce Corson, bishop of the conference.

Young People, hosted in homes of Philadelphia Methodists, in addition to Johnson, are Miss Joan Zimmerman, Miss Linda Price, Thomas Conley, Miss Maureen Conley, Miss Linda Laballe, Miss Evelyn Moore, and Miss Janice Sengle.

Boytown Cops Prize

WASHINGTON (AP) — The small Berks County community of Boytown (Pop. 4,067) was a big winner recently in the 28th annual school safety parade that featured 24,000 boys and girls paraders and 44 bands from 27 states.

The best band in the parade, judges decreed, was the Boytown Area Junior High School unit.

And the Boytown Senior High band placed third in the senior division.

Rider Thrown From Horse

SAVILSBURG — William Tucker of 225 E. Pennsylvania Ave., Pen Argyl, was admitted to St. Luke's Hospital in Bethlehem with head injuries and a possible back injury.

He was thrown from a horse Sunday while riding at a farm near Savilburg. Tucker was taken to the hospital by the Wind Gap Fire Co. ambulance.

CHILDREN OF THE first grade in the East Stroudsburg State College Campus Laboratory School recently entertained their parents. A program was guided by Miss Eva Hess, supervisor of second grade, and the student teacher, Mrs. Claire Walker. In addition the children served their parents refreshments. Pictured are Howard Bess Jr. serving his mother, Mrs. Howard Bess, and Kim Price offering punch to her mother, Mrs. Gene Price.

Region 8 Boards To Meet May 21

ALLENTOWN — School directors of Monroe County have been invited to attend the annual regional meeting of District 8 of the Pennsylvania School Boards Assn. (PSBA), May 21 from 7:30 to 9:30 p.m. in the Dieruff High School, Allentown.

Charles W. G. Fuller, director of region 8 will open the meeting. Mrs. Emaline K. Mohr, member of the Allentown School Board and member of the State Board of Education, will welcome the group.

Dr. Herbert E. Bryan, director of the Bureau of School District Organization, State department of Public Instruction will address the group. He will speak about implementing school district reorganization under the provisions of Act 293.

Also, Dr. Carl S. Peterson, principal of Easton Senior High School, will speak. He will talk about team teaching in a school within a school combined with an integrated academic and technical vocational program.

John J. Hertz, executive director of the Pennsylvania School Boards Assn., will report on the 1963 legislative program.

A question and answer period will follow. Charles W. G. Fuller will be the moderator.

Roseto Man Files Suit

ROSETO — A suit in excess of \$5,000 has been filed by a Roseto man in Lehigh County Court for damages which occurred in a two truck collision on the Lehigh Valley Thruway at Allentown last Aug. 20.

Richard Smith, 313 Front St., Roseto, has filed the suit against Forrest Product Corp. and Douglas Smith, both of Morris-town, Tenn.

The action is for injuries, loss of wages and other damages.

The Roseto man asserts the Forrest truck crashed into the rear of his truck between the 7th and 15th streets exits.

Paraguay has only 188 miles of paved road.

MR. POCONO SAYS —

Growers May Divert 'Add' Acres In Wheat Program

STROUDSBURG — Growers may divert additional acres under the 1964 voluntary wheat program and thereby qualify for a larger diversion payment, according to A. W. Martin, Chairman, Agricultural Stabilization and Conservation County Committee. The minimum diversion provision of the 1964 program is to set aside in conserving use 11.11 per cent of the farm's wheat allotment.

The 1964 wheat allotments and farm normal yields are those issued prior to the marketing quota referendum held in May of last year.

If a grower wishes to divert more than the minimum acreage, the Chairman explained, he will in most cases be able to earn additional diversion payments for acreage underplanted by as much as 20 per cent below the farm wheat allotment. On farms where 20 per cent of the wheat allotment is less than 15 acres, the total diversion may be 15 acres—including the minimum diversion.

Growers who wish to dispose of wheat for the purpose of participating may do so by no later than the disposition date of June 21.

The diversion payment will be 20 per cent of the county loan rate per bushel and it will be made on the normal yield of the diverted acreage.

Choral Unit In NAACP Musicales

STROUDSBURG — Miss Thomasina Johnson and the 18-voice Sincere Choral Ensemble will be featured at the first annual musicale sponsored by the Monroe County Chapter of the National Assn. for the Advancement of Colored People to be held Saturday at 8:15 p.m. in the Stroud Union auditorium.

Tickets — proceeds of which will go to the NAACP Freedom Fund — are being sold by chapter members. The tickets also may be obtained at the door.

Jesse Lynch, chapter president, said yesterday this will be the first public effort by the young chapter and he urged community support to make it a success.

Miss Johnson is from Philadelphia and will sing a varied selection of classical and inspirational songs. The Sincere Ensemble has toured all over the country and has thrilled audiences with its clarity and tonal quality.

Area YF Appoints Chairmen

NEWFOUNDLAND — Commission chairmen were appointed, and a date was set for the postponed rummage sale, during a recent meeting of the new executive committee and advisors of the Greenlawn - Newfoundland - South Sterling Youth Fellowship at the home of Mrs. Fred Bancroft, South Sterling.

Melissa Burdick, was named faith chairman, and the Rev. Larry Lindemuth is faith advisor; Wayne Croft, outreach, with the Rev. Denton Covert as advisor; Nancy Krieger, witness, with Jacqueline Croft as advisor; Kathy Smith, citizenship, with Peggy Bancroft as advisor; and Gary Carlton, fellowship, with an advisor to be named.

Each member of the YF, which combines the young people of the Newfoundland Moravian Church, and the South Sterling and Hemlock Grove Methodist Churches, will be named to one of the five commissions and will serve under the appointed chairman.

May 16 was the date set for the rummage sale, which was postponed from the past two Saturdays. This will be held at the empty store next to Cron's in Newfoundland, from 9:30 a.m. until 3:30 p.m.

May 17 was selected for the installation of new officers at 7 p.m. at the South Sterling Church.

Dr. Emmons To Speak At M'home

MOUNTAINHOME — Rev. Dr. Peter K. Emmons, pastor emeritus of First Stroudsburg Presbyterian Church and Westminster Presbyterian Church, Scranton, will be guest pastor at the 10:45 a.m. worship service in Mountainhome Methodist Church Sunday.

Rev. Emmons is president of the board of trustees of Princeton University and will speak on the Festival of Pentecost.

At the 8:30 a.m. service, Warren Miller, licensed lay preacher, will be guest speaker. The pulpit vacancy will be due to the pastor, Rev. John Roberts, attending the annual conference of the Philadelphia Conference of the Methodist Church.

Bomb Deaths

SKOPJE, Yugoslavia (AP)—In the past 20 years, nearly 1,200 persons, most of them children, have been killed by accidental explosions of bombs and shells left over from World War 1 and II.

When your family celebrates a Special Family Occasion—Welcome Wagon Calls

When your family celebrates a sixteenth birthday, announces an engagement or the birth of a new baby, or moves to a new home, your Welcome Wagon Hostess will call with a basket of gifts . . . and friendly greetings from the religious, civic and business leaders of our community.

When the occasion arises, phone

Rhodes' Grandson Pens Poem

Washington, D.C. — Rep. Fred B. Rooney yesterday introduced into the Congressional Record a tribute to the late President John F. Kennedy which was written by the grandson of Superior Court President Judge Chester Rhodes of Stroudsburg.

The tribute — a poem written by 15-year-old William Chester Rhodes of Lehigh RD 3 — was cited by Congressman Rooney as "one of the most moving and meaningful tributes I have seen . . . expressing the emotions and the sorrows that all Americans felt during those dark and ominous days last November."

The boy who wrote the poem is the son of Dr. and Mrs. John Rhodes. His father is a member of the medical staff of Gaden Huetten Hospital and the Palmetton Hospital.

The text of the poem follows:

"To J. F. K."
The people lined the streets, you see,
To watch a man, a martyr to be.
The assassin's gun rang loud and clear
And suddenly there was a tear
A tear that made the nation say
A saint has passed along this way.

A futile attempt to keep a flame
Of life alive, and then there came
A final breath
A kiss of death
A mourning nation in disarray—
A saint has passed along this way.

A little hand the coffin carried—
His son a gallant salute addressed.
A mother and father alive to bear
The anguish of their son's despair.
A woman alone—for in this day
A saint has passed along this way.

He who loved freedom, and
Freedom for all
Now lies beneath a funeral pall.
A cardinal came from Boston's shore
To aid this man beyond death's door.
And foreign dignitaries array
To aid this saint pass on his way.

The government remains, the nation will stay
Beyond this man — this J.F.K.
And live in memory, indeed he may!
And we were alive to witness this day
He was the saint who passed this way!

Honor Roll At Eastburg High School

Killer Attempt

BOGOTA, Colombia (AP) — Gunmen in a taxicab fired at the home of Maj. Gen. Pajardo Pinzon Monday night but fled in a hail of bullets from guards. It was the third recent attack on the home of a high army officer.

Pensy Merger Set For '65

PHILADELPHIA (AP)—Pennsylvania Railroad stockholders were told Tuesday that merger with the New York Central "is indispensable" and should be approved finally by early 1965. Stuart T. Saunders, board chairman of America's biggest railroad, said the merger will "return the railroads to a more dynamic role in the country's transportation system."

UCC Points Way, Church Layman Says

BUCK HILL FALLS — The United Church of Christ points the way to true Protestant unity of the future, a leading layman said yesterday.

Lincoln S. Cain, of Pittsfield, Mass., attorney and a member of the Executive Council of the United Church of Christ, spoke to members of the denomination's Penn Northeast Conference at the opening of their two-day annual meeting at Buck Hill Falls.

The United Church of Christ was formed by union of the Evangelical and Reformed Church and Congregational Christian churches.

Cain sees the United Church as providing the pattern for future Protestant union because its local churches and regional are self-governing and the agencies, commissions and committees, while not autonomous, God forbid, are free entities in the sense that within their budgetary means and within the respective provinces they serve, they develop their own programs in their own way.

There are 22,000 vineyards in California.

\$24,000 Awarded Rabbit Hunter By Viewers Board Seares Tiger

STROUDSBURG — John R. and Cora R. Smith of Tannersville have been awarded \$24,000 by a board of view for land used in the building of Interstate Rt. 80 in Pocono Township.

The offer, in the name of the Highway Department, was filed yesterday in the office of the Monroe County Prothonotary, Frank Smith.

Edward L. Williams, Henry Price and B. K. Williams were the viewers.

GLAUFF REINET, South Africa (AP)—Rabbit hunter De Wet Theron found himself stalked by a leopard.

His first thought: "I didn't say my prayers this morning."

He didn't dare use his light rifle against the big cat. The beast sat on a rock, glaring, its tail moving slowly.

"Said Theron: 'All I could do was look him straight in the eye. He flattened his ears. I looked away and — he bounded off.'"

Cancer Drive In Paradise Nets \$147

HENRYVILLE — A sum of \$147.25 has been netted by the Monroe County Cancer drive in Paradise Twp.

The drive results were announced yesterday by Mrs. David Nelson, captain of the fund campaign.

Mrs. Nelson cited the following persons for their help: Mrs. Mable Huffman, Mrs. Polly Metzger, Mrs. Charlene Mrs. Jean Smithers, Mrs. June Sanborn, Mrs. Margaret Coenbach, Mrs. Gail Little, Mrs. Carolyn Lallada and Mrs. Paula Barth.

Bible School Mrs. Horace Stiff announced that Bible School will be held the week of July 13 in the community center.

Traffic On Gap Bridge Decreases During April

MORRISVILLE — Traffic on the Delaware Water Gap Toll Bridge during April showed a decrease of 4.53 per cent and revenue declined 7.48 per cent as compared to the same period in 1963, a spokesman for the Delaware River Joint Toll Bridge Commission said yesterday.

During the month 174,016 vehicles used the bridge to provide a daily average of 5,801 passages. Income totaled \$37,855.83 and provided a daily average of \$1,228.53.

For the same period the Port-land - Columbia Bridge showed an increase of 9.52 per cent with revenue also increasing 9.87 per cent as compared with the same period last year.

Records show 47,622 vehicles

used the bridge and provided a daily average of 1,587 passages. Income for the month totaled \$7,667.78 for a daily average of \$262.26.

The Milford-Montague Bridge showed a decrease of 1.42 per cent and a decrease of 8.17 per cent in revenue when compared to April, 1963.

During the month 47,585 vehicles used the bridge and provided a daily average of 1,586 passages. This gave a daily income average of \$256.01, and total revenue of \$7,680.28.

The Belvidere - Riverton Free Bridge showed a 3.91 per cent decrease in traffic during April. Total passages were 58,931.

3 Injured In Shohola Twp. Crash

MILFORD — Three persons were hospitalized yesterday in a two-car collision on Rt. 37 in Shohola Twp. 14 miles west of Milford.

State Police at Milford identified the injured persons as Calla Dyer, 55, of Brooklyn, N.Y.; and Harvey and Gladys Englundson of Greeley.

Mrs. Dyer was a passenger in the vehicle driven by her son, Robert L. Dyer, 28, also of Brooklyn. She was admitted to the Wayne Memorial Hospital with a possible broken right arm, police said.

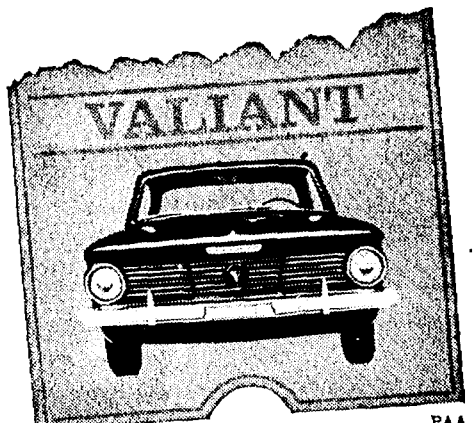

Gladys Englundson, a passenger in the vehicle driven by her husband, was admitted to St. Francis Hospital in Port Jervis. She is suffering from head and shoulder injuries, police said.

Her husband, Harvey Englundson, was treated at St. Francis Hospital and released. Dyer was traveling north on Rt. 37 and Englundson was traveling south. The collision occurred in the south bound lane, police said.

Police estimate \$350 damage to each vehicle.

Cap's 75th Year To Be Observed

DELAWARE WATER GAP — Delaware Water Gap Chamber of Commerce has tentatively approved a program of events as part of the borough's 75th anniversary celebration.

The program includes an outdoor motor boat regatta at Kittittiny Beach, fireworks display on July 4; dedication ceremonies of Delaware Water Gap Vista; dedication of the new post office; jazz concert, choral concert; summer outdoor art exhibit; costume ball; flaming foliage outdoor art exhibit and flaming foliage tours.

Highway Unit Receives Bids

HARRISBURG (AP) — The State Highways Department has received these unofficial low bids on projects in the following counties:

Lackawanna — Reconstruct 10 of a mile of U.S. 11 (Cedar Avenue) in Scranton, Ezra Stipp Constr. Co., Scranton, \$27,913.

Susquehanna — Construct bridge over Apolacan Creek south of Little Meadows on LR 57083, 20 mile, no bidders.

Reconstruct 1.29 miles of Route 941 from Royal Southwest including two bridges over each branch of Tunkhannock Creek, American Asphalt Paving Co. Shavertown R. D. 5, \$388,418.

Tioga — Resurface 11.65 miles of Route 328 from Bradford-Tioga county line southwest to Route 15, McMin's Asphalt Co. Inc., Lancaster, \$196,099.

Wayne — Construct three bridges over Equinunk Creek on LRs 63042 and 63050, over Star Creek or LR 63058 and Ball's Creek on LR 63050, northeast of Winterdale, 83 mile, A. F. Costanzo & Son, Scranton, \$238,469.

Truck Runs Over Boy's Foot

STROUDSBURG — A four-year old Stroudsburg youth apparently escaped serious injury Monday when a truck tire passed over his foot.

Terry Posten, son of Mr. and Mrs. E. G. Posten of 85 N. Second St., was released after treatment in the General Hospital of Monroe County.

Kenya Aid

MOSCOW (AP) — The Soviet Union announced Tuesday it has agreed to supply economic and technical help to Kenya and has signed an agreement for scientific and cultural exchanges with the new East African nation.

Mr. and Mrs. Larry Paul Knecht (Lawrence Studio)

LaRue Hawk Is Bride Of L.P. Knecht

Kunkletown — LaRue Fay Hawk, daughter of Mr. and Mrs. George F. Hawk, Kingswood Lake, and Larry Paul Knecht, son of Mr. and Mrs. Paul Knecht, Effort, were married on April 25 in St. Matthew's Lutheran Church, Kunkletown.

Rev. John Kline officiated. Given in marriage by her father, the bride was attended by her sister, Mrs. Lillian Leslie of Lehigh RD 4, as matron of honor. Dean Leslie of Lehigh served as best man. The couple then greeted guests at a reception at the home of the bride's parents.

After their wedding trip, the couple will make their home in Effort.

Stroud Union Music Parents Elect Officers

Stroudsburg — Mrs. Richard Lindroth will be president of the Stroud Union Music Parents Assn. Also elected at the final meeting of the school year were William Schiebel, vice president; Mrs. Arthur Ruppert, secretary; and Ray Dunkelberger, treasurer.

The Junior Band under the direction of Ralph Harrison played several selections. The Music Parents planned to bring back the Navy Band to Stroudsburg as their main project for next year.

VFW AUX. PRESIDENT, Mrs. Willoughby Adams, right, accepts the gavel from Mrs. Charles Staples, past president, at their meeting this week. (Staff Photo by MacLeod)

Donations Mark VFW Auxiliary Closing Year

Stroudsburg — Installation of officers marked the closing of the year for the VFW Auxiliary. The meeting was held at the VFW Auxiliary Hall, 1000 Main St., with Mrs. Charles Staples as president and Mrs. Willoughby Adams as vice president. The meeting was held at 7:30 p.m. and was well attended.

Secret Pals Friday

Effort Secret Pals of St. John's will meet Friday night at 7:30 at the social hall.

Just Between Us—

by Bobby Westbrook

The telephone is pretty much a way of life for most of us, taken as much for granted as the fact that a light comes on when you flip the wall switch and water comes out when you turn the tap. (That's in town, of course; in country folk don't ever count on water too much when our own pump's involved).

The telephones in Belgrade look just like ours with dials for ringing numbers and all. The numbers are much less complicated than even our local numbers not to mention the 1-212-355-1212 routine you go through just to find out a New York telephone number.

The main difficulty in Belgrade seems to be that you very seldom get the party you are calling. You may have seen the news article about the Zagreb newspaper which experimented in sending a message to a city 80 miles away by placing a telephone call, sending a telegram, dispatching a messenger in a car and releasing four carrier pigeons simultaneously. The messenger in the car won going away.

Well, I was trying to call the Bob Cleavelands who lived about five blocks away in a handsome villa in Topolider Park. In the week I was in Belgrade, I tried every day and at every time of day and succeeded in getting, day after day, busy signals and in-

moderately afterward no answer at all. Just once I got the maid, who spoke only Serbian so I doubt if my message got through.

The message was greetings from Clem and Peggy Cleveland of Glen Brook Road, Bob Cleaveland, who is charged d'affaires with the U. S. Embassy in Belgrade, is Clem's first cousin. Besides everybody I asked about them reported that both Bob and his wife, Mary, were charming people I'd enjoy knowing. Maybe a telephone call to Washington when they're on home leave would be less frustrating.

The same thing happened about Jovan Delic's brother who is in Yugoslavian protocol and one of their leading architects. Inured to country living, I have learned to cope with what to do when the water fails just when you've got a mouthful of toothpaste suds, but I'd give up reporting if our telephones were as unreliable.

Moreover, everybody in Yugoslavia takes it for granted that the lines are tapped, which can come in mighty handy if you want to carom an opinion which you don't want to put through official channels. You merely call another department and blow your top, confident that the information will be relayed to the proper authorities — if you get the other department that is.

Family Fare

By Bobby Westbrook

Miss Marjorie Ellen Frutchey

Engaged To James Hay

Tobyhanna — Mr. and Mrs. Wilbur H. Frutchey of Lakeside Drive, Tobyhanna, announce the engagement of their daughter, Marjorie Ellen, to James Edward Hay, son of Mrs. Freda Hay and the late Edward Hay of Laurel Drive, Tobyhanna.

Miss Frutchey will be graduated from Pocono Mountain Junior-Senior High School in June.

Mr. Hay, a 1962 graduate of Pocono Mountain High School attended East Stroudsburg State College and is now a student at Lackawanna Junior College.

A summer wedding is planned.

Jackaway-Dolan Rites On Saturday

Bushkill — Miss Kathleen Ann Dolan will become the bride of Joseph Nelson Jackaway on Saturday, May 16. The ceremony will be held at 11 a.m. at St. Paul's Lutheran Church in Tannersville.

Miss Dolan is the daughter of Mr. and Mrs. James Edward Dolan of Bushkill. The prospective bridegroom is the son of Rev. and Mrs. Joseph Nelson Jackaway of Van Buren, Ohio.

Friends and relatives are invited to attend the ceremony.

Clearview PTA Closes Year With Donation To Library

Stroudsburg — At the final meeting of the Clearview Parent-Teachers Assn. officers were elected and installed: Mrs. Frank DeRosa, president; Mrs. Gabriel Kolcan, vice president; Mrs. Arthur Jensen, secretary; Mrs. Harry Coulter, corresponding secretary; Joseph R. Venne, treasurer.

The PTA which earned \$150 during the year, voted to donate \$100 to purchase library books and to keep the rest in the treasury for next year. They were unable to purchase a PA system but there is one available for use in the school system.

Joseph R. Venne, retiring president, was presented with a scrapbook of the activities of the past two years by Mrs. DeRosa, chairman of publicity. Appreciation to the Girl Scouts for the umbrella tags they had made for last month was coupled with apologies for forgetting to use them. Mrs. Richard Phillips read the PTA prayer.

Dr. James H. Mackes, Jr., spoke on the benefits of fluoridation in school water.

Using two towns in New York as an example, he said that in the town using fluoride in the water the percentage of decay or missing teeth was 3.73 compared to 12.45 in a similar town not using fluoride.

The cost per person was 10 cents for supplying fluoride, he said. At present fluoride can be obtained in liquid form or tablets or applied to the teeth by a dentist. In the area around the Great Lakes where fluoride exists in the soil, many crops contain fluoride, he said. A question and answer period followed his talk.

On display was an exhibit on Mexico, showing the types of

Two Babies Baptized
 Saylorsburg — Raymond William Shaffer, infant son of Mr. and Mrs. Walter Shaffer, and Robert Raymond Williams, Jr., son of Mr. and Mrs. Robert Williams, were baptized by Rev. Clair Matz at the Sunday morning worship service.

Miss Bobby Sets Date For Wedding

Pocono Summit — Miss Gloria Jean Bobby, daughter of Mrs. Helen Bobby of Pocono Summit, has announced plans for her wedding to James Edwin Wagner, son of Mr. and Mrs. Edwin C. Wagner of Henryville RD 1.

They will be married June 27 at 11:30 a.m. at St. Joan of Arc Catholic Church, Pocono Summit.

The bride, a graduate of Pocono Mountain Joint High School, Swiftwater, is employed by L. B. Kinsley's Market, Pocono Summit.

Her fiancé attended Pocono Twp. High School, Tannersville and is employed by National Drug Co., Swiftwater.

Convention Highlights For GOP Women

Stroudsburg — Education at all levels was stressed at the national convention of Republican Women in Washington, D.C. Mrs. Joseph Shukatis yesterday reported to the Monroe Council at their meeting at the Penn-Stroud Hotel.

The need for women to register and vote (20 per cent of women eligible to vote, don't); the role of women in uplifting the national morale; and the true status of women as protectors of the fine and the good on family and community level were other points she stressed. "Chastity is best taught by the chaste; education by the educated; virility by the self-disciplined, and good government starts at the home and precinct level," Mrs. Shukatis quoted.

She urged women to express their opinions and women in the home, business, professions and minority and ethnic groups to take an active part in government planning for the future. Mrs. Alphonse Meyers reported on activities in Harrisburg. Hostesses were Mrs. Clifford Heller, Mrs. Meyers, Mrs. Herman Christman, Mrs. J. C. Mullins, Mary Emma Garcia and Miss Marguerite Allen.

Clothing To Be Modeled At Fire Co. Aux.

East Stroudsburg — A clothing party with live models will be held at the meeting of the Acme Hose Co. Aux. tonight at 8 at the Day St. building. The public is invited.

Hostesses will be Nancy Miller, Edna Pugh and Mary Smith.

Members are requested to be present to discuss a business matter of importance.

Set Bazaar Dates

Minisink Hills — The dates of July 24 and 25 have been selected for the annual bazaar of St. Mark's Lutheran Church, Minisink Hills.

The bazaar will be held Friday and Saturday nights at Eilenberger's snack bar.

Flower Arrangement Tips Help Pocono Garden Club

Tannersville — A drop of paraffin wax at the center of each petal will keep tulips open for flower arrangements. A drop at the stem base of the flower will keep them closed.

This was one of the practical hints on flower arrangements given by Mrs. Knud Sigurd Bay at the May meeting of the Pocono Garden Club at the Tannersville firehall.

Mrs. Bay emphasized the Japanese arrangement of flowers based on the three-fold thought of sky, man and earth, branching from a single stem. One or two flowers are used, never four, because four is the symbol of death, she explained.

She made seven arrangements to demonstrate various types of arrangements: Line arrangement, building up to a line-mass arrangement, and mass arrangement in the French style which is light and airy.

She urged members to keep in mind the focal point of any arrangement as well as group colors.

In demonstrating an abstract arrangement, Mrs. Bay urged

Art Show, Concert For TEC PTA Meeting On Thursday

Pocono Pines — A big night is scheduled for the Tobyhanna Elementary Center Parent-Teachers Assn. on Thursday at 7:15 when an art exhibit and orchestra recital will emphasize the creative side of school life.

The Art Fair will feature the work of children from kindergarten through sixth grades in crayon, clay, tempera, pastels and water colors as well as stone, mosaics, toothpick sculpture and weaving. The art fair will be open to the general public from 7 to 8 p.m.

At 8, the Tobyhanna Elementary Center orchestra under the direction of Russell Speicher will present a concert including "Holiday," "Safari," "Trumpeters Salute" and "Brownie March." The orchestra is composed of members of the band who have been taking lessons for the past year and a half.

Serving as student chairman for the art fair and concert is

County Bible Clubs Friday

East Stroudsburg — Nine Bible Clubs of Monroe County will meet Friday night at 7:15 at the East Stroudsburg Baptist Church.

Taking part in the annual meeting will be the clubs from the Anabaptist Methodist, Third St. Alliance, East Stroudsburg Methodist, Houserville Baptist, East Stroudsburg Baptist and Christ Episcopal Church as well as clubs from Normal Hill, Garden St., Portland and Tannersville.

District Meeting

Stroudsburg — Lehigh District No. 1, Daughters of America, will be the guests of Victoria Council 163, Stroudsburg, on Friday night at 8 at the Odd Fellows Hall in Stroudsburg. Officers are asked to wear white.

White Ribbon Service For WCTU Meeting

East Stroudsburg — The Women's Christian Temperance Union of the Stroudsburg observed Gov. Stanton's week of Youth Temperance Education by distributing educational pamphlets in the public schools of the county. It was announced at the Mother's Day meeting at the East Stroudsburg Presbyterian Church.

Mrs. Clara Sinclair led the opening devotions. A White Ribbon Recruit ceremony was held with the white ribbon tied on the wrist of Michael Haas, who was presented by his mother.

Rev. Joseph Loggieri of the Tannersville Methodist circuit was the guest speaker. His topic was "Motherhood, A Parallel to Godly Love." Paying tribute to his own mother, he said that the attributes of motherhood: compassion for others, healing the sick, training children, and serving as comforters are like those of the love of God. True motherhood also has sacrificial and self-giving instincts, he said.

Mrs. Dale Leann presided at the business meeting. Hostesses were Mrs. R. C. Cramer, Mrs. A. L. Burrows, Mrs. Earl Cole, Mrs. H. O. Kester and Miss Amy Peters.

Friendship Circle Fri.

Portland — The Friendship Circle of the Mount Bethel-Portland Community Presbyterian church has changed the date of their meeting to May 15. The meeting will be held at the home of Mrs. Robert Lewis in Mount Bethel.

The Ladies Aid of the church will hold their regular monthly meeting on Thursday afternoon at 1 o'clock at the home of Mrs. Loretta Van Vorst.

Happily Yours Ellee

THE WYCKOFF SHOPPER

'ROUND AND ABOUT WYCKOFF'S—

Many of our customers were pleasantly surprised Monday afternoon when they telephoned Wyckoff's and once again heard the friendly, familiar voice of Dottie Dunn. Dottie has been absent for rather an extended period during which she underwent serious surgery, and she will be working just part time until her recovery is complete. It's nice to have her back with us! I've never heard Dottie sound even impatient, regardless of how exasperating her contacts may be, or how busy her switchboard is. And that is something! It's a real job to be eternally pleasant when things are going wrong, and mighty few people achieve this wonderful and desirable state.

This past Monday evening, Emily and I (Emily Winter the ridiculous, bumbling character from "A Horse from the Carousel") attended the annual Mother-Daughter Banquet of the Reformed Sunday School's Dirigo Class at the Y.M.C.A. Marguerite Williams Hiller is president and explained that the girls plan the same menu every year, so that each one knows her role in making the dinner a success. It was delicious, and I was starved . . . so I ate for both myself and Emily.

There were 50 present, I believe, among them Selma and Sue Ruster, Esther Rowe and Mrs. Ora Woodling, all of whom had participated in our highly successful World Fair excursion of Saturday. They were most enthusiastic about all they had seen, and Esther showed me an unusual "poison ring" of silver she had purchased for 3.00 in the Jordan pavilion. To her, this pavilion, with its jewel-tone glass used in much the same manner as mosaic tile, was the most interesting thing she had seen. Her particular interest was the Dead Sea Scrolls housed there, and the Rusters and she told me how very informative and kind were the pavilion's personnel. "It is unusual to find such busy people so desirous of being helpful, but everyone we encountered throughout the entire day was wonderful," Selma said, and they all agreed.

Now I feel wretched that I didn't go. WHEN'S THE NEXT BUS, EDNA BROCKMAN?

Bargain seekers . . . ATTENTION! Right now in our Wyckoff cosmetic department you can buy Color Lift at the usual price of 1.50 and receive a bonus of Headliner hairgroom. And Tintillate, also 1.50, comes to you with a bonus of creme peroxide. Real values—both, so, for beautiful hair beneath the summer sun, stock up today . . . At this point I must also put in a few good words for the delightful dresses that jam the racks in our downstairs budget cotton department. Not that all are cottons. Far from it! We have all sorts of fabrics in the most adorable styles you can imagine, priced up to about 9.00, and as low as 3.98. These are wonderful "fill ins" to extend your wardrobe of better dresses, and goodness knows, in the heat of summer you can never have too many fresh, cool "changes".

Duren Released

Majors Cut Rosters

By THE ASSOCIATED PRESS

Veterans and rookies felt the axe as major league baseball clubs cut their rosters to the mandatory 25-player limit by midnight Wednesday.

Several clubs made the necessary cuts several days ago. The list of cuts Wednesday by clubs:

AMERICAN LEAGUE

NEW YORK — Sent first baseman-outfielder Harry Bright to Richmond of the International League on 24-hour recall option.

WASHINGTON — Sold pitcher Howie Koplitz to Toronto of the International League and optioned catcher Ken Retzer to same club on 24-hour recall.

BOSTON — Sold pitcher Wilbur Wood to Seattle of the Pacific Coast League and placed ailing outfielder Gary Geiger on the voluntary retired list at his own request. Geiger will be sidelined at least 60 days.

CLEVELAND — Optioned pitcher Jerry Walker to Jacksonville of the International League.

MINNESOTA — Sent pitcher Dwight Siebert and outfielder Joe Nossack to Atlanta of the International League.

KANSAS CITY — Released outfielder Gino Cimoli.

BALTIMORE — Optioned pitcher Mike McCormick to Rochester of the International League.

NATIONAL LEAGUE
NEW YORK — Optioned first baseman-outfielder Ed Krane, shortstop Al Moran and outfielder Larry Elliot to Buffalo of the International League on a 24-hour recall basis.

ST. LOUIS — Optioned pitcher Paul Speckenbach to Rock Hill, S.C., of the Western Carolina League on 24-hour recall.

PHILADELPHIA — Sold pitcher Ryno Duren to Cincinnati and asked waivers on third baseman Don Hoak.

PITTSBURGH — Optioned pitchers Frank Bork and Tom Sisk and outfielder Rex Johnston to Columbus of the International League on 24-hour recall.

LOS ANGELES — Sent pitcher Pete Richert to Spokane of the Pacific Coast League.

Cleveland Shuts Out Red Sox, 3-0

CLEVELAND (AP) — Veteran Dick Donovan and rookie Sonny Siebert allowed Boston only two hits in six innings Wednesday night as the Cleveland Indians defeated the Red Sox 3-0 in a rain-shortened game.

Donovan permitted a single in the first inning by Ed Bressoud. The Indian starter went out after being hit on the hand by a pitched ball in the third inning.

The only hit of Siebert was a sixth inning single by Bob Tullman.

The Indians scored one run in the first on Dick Howser's single and Fred Whitfield's double. They picked up another in the fourth without getting a hit. Tito Francona walked, and made it home on fielding errors by Dalton Jones and Felix Mantilla on successive plays.

Leon Wagner drove in the third run with a fifth inning single.

Boston 000 000-0 2 2
Cleveland 100 110-3 6 0
Morehead, Earley (6) and Tullman; Donovan, Siebert (4) and Azcue, W.-Siebert, 14.....2, L—Morehead, 1-3.

Late Baseball
San. Fran. 000 000-0 1 5 3
Houston 000 010-2 5 0
Headley, Herbel (7), Pierce (8) and Cannell; Johnson, Woodeshick (8) and Bateman. W.—Johnson, (3-3). L—Headley, (2-3).

Home run — Houston, Staub (1).

No Fair Balls In 5-0 Game
SALISBURY, N. C. (AP) — East Rowan High School could have left its infielders and outfielders on the bench Tuesday night when it defeated Monroe High 5-0.

East Rowan's sophomore southpaw, Phil Robbins, pitched a no-hitter and did not allow a batted ball to reach fair territory in the seven-inning game.

Louis, 50, Sees Clay Dethroned

By JACK HAND

Associated Press Sports Writer
NEW YORK (AP) — Joe Louis was 50 years old Wednesday, a day for cake, candles, friends and memories.

Few men "celebrate" No. 50, but Louis did at a party on the 50th floor of a midtown hotel. If he was concerned about his lost youth, he kept it to himself.

The Brown Bomber of old said he weighed about 235 pounds. That would be about 22 more than he weighed the night he had his last fight — with Rocky Marciano in 1951.

"If you had to do it all over again would you change anything?" a fellow who is not known for his original thinking asked the ex-champion.

"Now, I don't see how I could change anything," Louis said in a voice so low you had to bend close to hear him. "Sure, I'd

fight Marciano again. That fight didn't mean anything. I'd quit when I did and I'd make a comeback when I did because I really thought I could beat Ezzzy Charles.

No TV Pay
"They didn't have the television money in my day they have now. That would be nice to have. But, like I tell everybody, I probably would have made a couple million dollars more but I'd owe that much more to the tax people."

Louis said his income tax problems still were unsettled and would be hanging for a long time although the government once announced it had closed the case. Louis became deeply involved in back tax trouble when he returned to civilian life after the war.

Naturally, Louis was asked for his opinion of Cassius Clay.

"He's good enough to stay out of a guy's way and stay out of danger," said Louis. "He's a good enough fighter but, unfortunately, he's a Black Muslim. The heavyweight champion has to represent all the people."

Louis worked with Sonny Liston before his recent match with Clay in Miami Beach.

"I still think Liston is the best fighter in the world," said Louis. "I think, if he gets a chance, he'll win it back. He got whipped fighting with one arm."

Junior Edge Inked
HAMILTON, Ont. (AP) — Quarterback Junior Edge of North Carolina has signed with the Hamilton Tiger Cats, the Canadian Football League club announced Wednesday.

Easton Tops Pen Argyl On Diamond

EASTON — Pen Argyl visited Easton High yesterday for a baseball game and came away with the short end of a 9-2 score.

Tom Machette was the winning pitcher. Bob Gold took the loss.

Easton banged out 10 hits with Al Piergallini smashing a homer for Easton.

Pen Argyl had four hits off of five Easton hurlers. Pen Argyl's record now stands at 4-7 overall.

Closely-Matched 6 Horses To Run In 88th Preakness

By ORLO ROBERTSON

Associated Press Sports Writer
BALTIMORE (AP) — There was a threat of rain in the air Wednesday but there was no talk of withdrawals at Pimlico, where the six 3-year-olds horses scheduled to start in Saturday's Preakness went through slow workouts.

Rain or shine, Northern Dancer, Hill Rise, The Scoundrel, Roman Brother, Quadrangle and Big Pete will be entered Thursday morning at the cost of \$1,000 each and, barring the unexpected, will be in the starting gate at Saturday for the second leg of the Triple Crown.

It'll cost another \$1,000 to start in the 1 3/16-mile classic making the gross value of the 88th running for the Black-eyed Susans \$176,700. The winner's share will be \$124,200 with \$30,000 for second, \$15,000 for third and \$7,500 for fourth. Thus, only two horses will not share in the payoff.

Showers?
The weatherman sees a few showers between now and past time, but fair and warm is the general prediction. With limited seating, a nonstop-race lawn in front of the stands and the infield closed to spectators, the ancient but refurbished track is expected to be packed to capacity of 20,000. The race has a 4:45 post time and will be nationally televised by CBS.

The jockeys are not expected to arrive until Friday, with Willie Shoemaker coming from California to handle Hill Rise. Bill Hartack again will be astride Northern Dancer as he was in the Kentucky Derby when the Canadian-owned colt ripped Hill Rise by a neck. The Scoundrel was third in the Derby, Roman Brother fourth and Quadrangle fifth after being bumped at the start. Big Pete won the six-furlong Delaware Valley Stakes at Garden State Park the week before the Derby.

The Preakness promises all sorts of delightful surprises. First, there's the rematch angle between Northern Dancer and

Hill Rise, the Canadian champ and the California "almost champ".

Those two colts just might be the best three-year-olds to come prancing down the pike since Swaps and Nashua. Both have done as much, or more, than the stars of 1955 at the same time of year. And Northern Dancer and Hill Rise will look in the Preakness after their Derby titanic where only Nashua, second to Swaps in the Derby, was around for the Preakness.

Shoe Hurling
The legion of fans that belong to Jockey Bill Shoemaker are snarling pretty good right now, too. "Their boy" took a healthy going-over by the members of the press corps after getting beat in the Derby. Especially since he chose Hill Rise over Northern Dancer and got only second money when "noisy" Bill Hartack staged another of his great Derby rides with Shoemaker's so-called "left over", Northern Dancer.

Then, too, Californians are not noted for their apathy towards a colt raised on native soil. The West Coasters will be dearly love to see Northern Dancer come a-cropper before he takes home another Triple Crown jewel. A Canadian-bred winning the big one is not as bad as a Florida-bred, perhaps, but still not easy for the Pacific Ocean partisans to swallow.

The possibility of Northern Dancer and Hill Rise finishing behind one of the other starters has not been seriously contemplated, but it could happen. For example, where's the speed going to come from this time?

Is Northern Dancer going to try to set his own pace? And if he does, will he be able to stall off the almost certain flood-rush of Hill Rise?

It's no cinch to win a race like the Preakness on the front all the way, although Trainer Horatio Lura has no doubt taken note that of the last 19 Preakness runnings, 10 eventual winners were on the lead via tually from the back to finish.

From here, though, it looks like Mrs. Harriet N. Ball's Big Pete and Rex Ellsworth's The Scoundrel will make the Preakness pace. Trainer Mesh Tenney, the cow-poke from "way out west" came to town a year ago with the third-place finisher in the Derby, Candy Spots. He then proceeded to train his steed in something less than "accepting" method, even working Candy Spots after the last race just a couple of days before the big one. Candy Spots aired!

After the Derby, Jockey Manuel Yenza climbed off T H e Scoundrel and said "not enough pace for me — this horse I have to rate too much". Tenney took note, said afterwards he thought perhaps The Scoundrel has been being taken too far off the early pace. The blinkers came off Saturday, so watch for The Scoundrel early. He'll be close to the lead, if not on it.

Charlie Funk, Pimlico track superintendent, was on record long before last year's Preakness as saying "Candy Spots will win it." Now clever Charlie says lightning will strike twice and a Tenney-Ellsworth colt will do it again. The tall and rangy western colt made a few friends after The Scoundrel worked a mile at Pimlico in 1:38 1/5 — that's about ten lengths faster than any other Preakness runner has been able to come up with.

More on The Scoundrel
Hank Morgan rides T H e Scoundrel in the Preakness. He was up when Northern Dancer beat the Californian by a length in the Florida Derby — and the word is that Hank thought he could have won that one had The Scoundrel jockey changed leads when he should have.

One more factor: New York-jockeys are anxious to see their "horse", Quadrangle, take another shot at Northern Dancer and Hill Rise. They claim the Wood Memorial winner had all kinds of trouble in the Derby, and with a small field looming for the Preakness there'll be a different finish. Could be, but the price on that happening will be somewhere around 10 or 15-1.

Dodger Manager Hopeful

By JERRY LISKA

Associated Press Sports Writer
CHICAGO (AP) — Manager Walt Alston of Los Angeles' low-dipping Dodgers is a quiet man, given these days to tubborn optimism and philosophy.

"We've been really racked up by injuries, but consider that six of our 16 losses to date have been by one run," Alston said Wednesday as rain washed the day's Dodger-Cub date into a Thursday twin bill.

The world champion Dodgers, strange National League basement buddies of the Houston Colts and New York Mets with a 10-16 record, have a 2-6 record in one-run decisions.

"Last year, we won the pennant scoring 300 fewer runs than we did in 1962, but we took 33 one-run decisions," recounted Alston.

"That meant the pitching was good, as everybody knows with Sandy Koufax and Don Drysdale mainly carrying the load, but also that we got the timely hit or the other team's big error."

Hurlers OK
"Now, even with Koufax and Johnny Podres ailing, we still have surprisingly good pitching — with those two kids (Joe Moeller and Phil Ortega) doing real well, but we can't seem to tie it up with clutch hitting and our misuses are hurting."

Moeller now stands 1-3 and Ortega 1-2 and—of the Dodger big three—only Don Drysdale, 4-1, is a winning pitcher. Koufax all-everything last season with 25-5, nurses a 2-3 record and score-winded Podres has 0-1.

Koufax, trying to shake a stiff back lingering from a San Francisco chill Saturday, and Drysdale will close out the Cub series against Dick Ellsworth, 2-3, and Larry Jackson, 5-1, Thursday.

"It's a funny thing about Moeller and Ortega," mused Alston. "Like sometimes happens to youngsters, one season they suddenly become pitchers instead of just throwers."

"Ortega (24) always turned out just not quite making it each spring. This spring he came up with a better curve ball, good control and confidence. He looks like an entirely different pitcher now. It's pretty much the same with Moeller (21). They've done a helluva lot for us."

FEATURED SPEAKER — Pete Carlesimo, head of athletics at the University of Scranton, will be the featured speaker at the annual Athletics Award Banquet at ESSC today.

Varsity 'S' Fete Scheduled May 23

STROUDSBURG — The 13th Annual Lettermen's Banquet of the Stroud Union Varsity "S" club will be held May 23 at Stroud Union High School this year.

The invocation will be given by high school principal Alfred W. Munson; Fred Fetherman, president of the club, will give greetings and an introduction.

Bob Clark, managing editor of the Daily Record, will be the toastmaster, and will introduce Clyde Whitman, wrestling coach of East Stroudsburg State College, the guest speaker.

Warren Loney Jr. will give out the Arch Rundle award and Jerry Stulgaitis will present the Tom Waring award.

FEDERICO FELLINI'S

Carlesimo To Talk At ESSC

EAST STROUDSBURG — Peter Carlesimo, director of athletics at the University of Scranton, will be the featured speaker for the annual Athletics Awards Banquet to be held at East Stroudsburg State College Friday.

Pete learned his football under the fabulous "Sleepy" Jim Crowley during the years 1937-38-39, a period in which Crowley produced some of the country's finest teams.

After graduating from Fordham, Pete began his coaching career at his Alma Mater, Saint Benedict's Prep in his native Newark.

In 1942, with only two years of high school coaching behind him, Pete went to Scranton and began his collegiate career. Following the same two year cycle, Pete became head coach in 1944.

He is now in his twenty-second year at the University.

Carlesimo has won wide acclaim as an after dinner speaker by employing an easy going style, mixing wit, humor and solemnity with his original material.

His talents make him in demand all over the country for all types of gatherings, sports, interfaith, service clubs and labor and management groups.

Pete has been a featured speaker at most of the top sports dinners in the country, including Washington, D.C. Touchdown Club; Dapper Dan of Pittsburgh; Philadelphia Sports Writers; New York Football Writers; New Haven Gridiron Club.

In addition, he has appeared before many of the top Eastern Colleges. Carlesimo has his own live TV sports show on station WDAU, Channel 22, known as Coaches Corner.

He resides in Scranton with his wife, the former Lucy Rogan, and their nine children.

Illengwarth Second In MAC Discus

PHILADELPHIA — Lehigh's heavyweight wrestler showed some more of his varied talents last week as he placed second in the discus at the Middle Atlantic Conference University Division track meet.

The event was held at LaSalle College in Philadelphia, and "Big John" as he is known in Lehigh Valley wrestling circles, heaved the plate 149 feet 10 inches for second place.

Jim Zaffarano of Temple was first with a heave of 163 feet 10 inches.

Besides his track prowess — he also puts the shot, and tosses the javelin — John was third in the EIWA wrestling championships at F&M College in Lancaster in March.

Only former national champ Jim Nance of Syracuse and Rutgers' tough Ed Schaver whipped the Lehigh strongboy. During dual meet competition, Illengwarth's only losses were to the same men. He lost to the former national champ by one point.

John, from Roselle Park, N. J., has been counted on heavily in giving Lehigh a good track season this year.

Babe Ruth batted .300 or higher in six World Series.

First National Tops Legion In Bowlerettes' Playoff Tilt

NEWFOUNDLAND — First National Bank, first half winners of the Bowlerette League, defeated American Legion, second half winners, in a playoff held recently at Hamilton.

Finishing in order behind the two teams were The Corruptibles, Gilpin's Pharmacy, Evans Banner Foods, and P. A. Madden and Son.

The roundup of the season was the annual banquet, held this year at White Beauty View Resort, Lake Wallenpaupack. Pat McLain, president of the league, presided over the festivities.

The first place trophy, small individual trophies, and a gift for each team member went to First National Bank. Gifts were also given to the American Legion team members.

Achievement awards were made as follows: high team game, Gilpin's Pharmacy, 661; second, The Corruptibles, 653; high team series, Evans Banner Foods, 1871; second, P. A. Madden and Son, 1854; high average (above 130), Hilda Chapman, 163; high game (above 130 average), Doris Voeste, 242; high game (130 average and under).

Also Helen Esther Madden, 151; high series (130 and up) Anne Hunter, 552; high series (130 and under), Eleanor Staph, 441; high spares, Sami Rotbacker, 401; high strikes, Peggy Logan, 250.

Secret Of Placating Umps: Don't Swear--Substitute

SAN FRANCISCO — A difference of opinion developed in the fourth inning Sunday between the umpire at first base and the San Francisco first baseman and manager.

The ump had ruled a Dodger runner safe on the ground that the first baseman, Willie McCovey, had removed his foot from the bag prematurely, which is to say before he caught the ball.

McCovey disagreed, pretty much as one would in Nob Hill society. He said something like "Poppycock, old chap. The matadors skimming over the canvas clearly escaped your eye."

This brought from the dugout manager Alvin Dark, who proceeded to reconstruct the play. Anyone could tell from his version that Willie's foot didn't leave the bag until after he had caught the ball.

The heel was just about chilled and everyone was ready to return to his station when suddenly a kibitzer was heard from. It was Chuck Hiller, the second baseman, who was possibly 90 feet away at the time of the crime.

Hiller's exact words haven't been captured, but you know they were pretty ripe for the umpire gave him the thumb after listening respectfully to the first two arguments.

It is, by this stage, inconceivable that professional baseball players, long schooled in the language that will get them thrown out of a game, will continue to use it.

You denote here a suicidal tendency, particularly in those cases in which the play is of little consequence, as the one was Sunday. There were two out and nobody on base at the time of the grounder — and the pitcher was up next.

Undeniably, baseball is an emotional sport embracing a variety of psyches, but it defies

all rationality that a man should permit himself to be hurled senselessly from a game. This is not to put the finger on Hiller alone, because his transgression is an everyday occurrence among managers, coaches and players.

Next to basketball guys, baseball types are the most poorly disciplined people in sports. Stoutly, they resist restraint. They must obey their infantile whims of shooting off their faces at times of displeasure.

Football players conduct themselves far more maturely. They not only dilute their language in the presence of officials, but exercise remarkable physical restraint in a game in which mass maiming could result if they weren't trained to control themselves.

Not long ago at Dodger Stadium, we discussed the matter of umpire fighting with Gil Hodges, the manager of the Washington Senators, who has been engaged in baseball since 1943 without having been thrown out of a game.

"It is impossible to play or manage without losing your temper," said Gil. "This is, after all, a game of humans. Therefore, you must make a study of the words that will get you thumbed out and you must train yourself to avoid them."

"And how is this done?" he was asked.

Substitute Profanity
"I have done it by using substitute words."

Hodges reviewed some of the terms that got one bounced automatically by an umpire and he offered his replacements.

"Can these watered down words give you the same relief?" he was asked.

"They can do the same thing for you, I have found, if you use them with enough volume. It isn't the words that give you the relief. It's the tone of your voice."

Gil demonstrated an impotent

term delivered with a roar. If you must know, it was "horse feathers."

"There isn't an umpire in the world who will throw you out of a game for screaming 'horse feathers,'" he explained.

"Yet, it serves the same purpose, which is getting the beef off your chest."

People have approached similar problems in another way. A psychiatrist we once interviewed in connection with an article on why guys blow their tops on golf courses confided that he developed such a distaste for the boss head thinker in the clinic in which he practiced that he stopped on the way to work each morning and hit a bucket of golf balls.

"Testing on the tee," he confessed, "wasn't a golf ball, but the bald head of that so-and-so boss. I whacked each one with delight."

Satisfactorily relieved, he went cheerfully to the clinic.

Offhand, it would seem easier to learn to say horse feathers, but then every man must work in his own way.

Palmer Leads Field Into O.C. Open

OKLAHOMA CITY (AP)—Arnold Palmer, one of five former winners, leads the field into the Oklahoma City Open Golf Tournament starting Thursday.

Palmer won the event in 1959. Other former winners back for a try at the \$6,400 top money Fairfield, Fred Hawkins, 1956 (titist), and Gene Littler, 1960 champion.

Palmer and Littler share the tournament record for low winning score, 273. However, they both won at Twin Hills and the tournament now is held at Quail Creek Country Club.

Both Fairfield and Doug Sanders, the 1962 winner, won at Quail Creek with 280s. Par for the 7,042-yard course is 36-36-72.

There'll be at least one new wrinkle in the tournament this year. As each player starts his round he will be given a copy of the city's sonic boom schedule.

The Federal Aviation Agency is conducting an experiment to measure public reaction to frequent sonic booms. Eight booms are scheduled for Oklahoma City daily.

Tournament officials hope the schedules will prevent players from blowing a shot because of an unexpected clap.

WYCKOFF'S
Men's Shop Main Floor

All you do is see a demonstration of the new Hoover Compact Washer and the Cannon towels are yours. We use these Cannon towels in the demonstration. You'll see the Hoover get them amazingly clean in just 4 minutes. And how it rinses and damp dries in just 2 minutes. A 6-minute washday! See the new Hoover. It's for the one woman in four who couldn't have a washer before. (And, of course, you can always use the towels.)
